CHESTERTOWN - SEPT. 10, 1887

Letter from Fairlee.

OUT OF THE COMMON ORDER—NEW BOOKS.

MESSRS. EDITORS:—Will you accept a letter somewhat out of the way of your usual correspondence? I have just read a volume of extraordinary interest, now in its thirty-seventh edition. It is the same book advertised by Mrs. C. B. Lemuels in the KENT NEWS several weeks ago to be lent to all applicants on application to her. A postal card addressed to her at Allegheny, Pa., will be sufficient to secure the book. It is a quarto volume of 350 pages, on fair white paper, and clear, legible type; the author, I judge by the preface, being Chas. T. Russell. The title of the book is "Millennial Dawn," Vol. I, "The Plan of the Ages," and is really what it purports to be, "A Helping Hand for Bible Students." It is a book to provoke thought and require study. If a new departure in the systems of theology, and different modes of biblical interpretation are contrary to orthodoxy, this volume cannot be reckoned entirely orthodox, yet the Scriptures are given for every position taken, and its application is reasonable. To all interested in the study of the Bible and the history of current events, this book will be an invaluable help, and will throw a flood of light on the prophetic books. Those wishing to own the book can do so by remitting twenty-four cents, as explained in a card from Mrs. Lemuels. Another book which has justly claimed an extensive circulation is by Dr. Josiah Strong, entitled, "Our Country: Its Possible Future, and Present Crisis." This is a book of about 200 pages, published by the Baker & Taylor Co., 9 Bond St., N. Y., and is now in its 65th edition. It is introduced by Dr. Austin Phelps, of Andover. The paper and typography are excellent, and there is a well arranged table of contents and a copious index to the whole. Among the perils to which our country is exposed are mentioned, Immigration, Mormonism, Romanism, Intemperance, Socialism, and the Accumulation of vast Wealth, &c. These are treated of in separate chapters, and a glance will show that each derives strength from the other and intensifies the danger. The danger to our institutions, as Dr. Strong shows, does not consist so much in the mere existence of these perils as in the assertion of a claim to an independence of, and a supremacy to the General and State governments and to their constitutions and laws. Both these books will fully repay a careful perusal, and should be read by every thoughtful citizen.

The sick are convalescent.

Yours, pro bono publico,
SIMON SHARP.

Who are the Violators?

MESSRS. EDITORS:—It has been asserted as a fact, time after time, that "though this is a local option county there is as much liquor sold in it as before it became so," but as temperance workers we only supposed such words were used more for argument sake than anything else, but of late we find that the breakers of the law are becoming very bold in the prosecution of this unlawful business for we can point out several places where the appearances are such as to justify us in feeling assured of the fact that liquor must be furnished to parties visiting the same. By a legal vote the majority have declared that no intoxicating beverages shall be sold, and such has become the law, and yet in opposition to law and order, certain parties must, (from appearances), be violating this law, upheld and sustained by persons in the minority. We, as temperance workers, have been watching and studying this matter to see if "local option" is a success, or as claimed by whiskey lovers "a failure." In our opinion it has been of great benefit to the community—lessening many evils—but it is the wish and desire of many to see the law enforced and carried out more fully, so that all who are violators of law under any pretext, may be brought to account and suffer the penalty due to all law-breakers.

CO. SUPT. OF LIT'S OF W. C. T. U.

HORSE OWNERS ALARMED.—Horse owners in Philadelphia are taking special precautions to prevent the spread of cerebro-spinal meningitis, from which many horses in New Jersey have died during the last week. It first appeared on the coast, then extended to the interior of the State, and on Saturday reached Camden. Many horses were lost in the coast counties, but thus far the deaths have not been numerous in the immediate neighborhood of Philadelphia. The disease broke up the camp-meeting at Seaville by producing a scarcity of horses and by leading the owners of those that might have been used to carefully guard them from the danger of contagion. The disease is very rapid in its action, and in nearly if not all cases fatal. Two cases have been reported from Camden.

"I'm not going to play with Willie Wafles any more," was Flossie's dictum. "Willie is a very nice boy," said her mamma. "I don't like him. In fact, I don't like boys at all, mamma. I guess it's cause I'm not old enough."

W. A. HYLAND,

GALENA, MD.,

THE SEASON IS NOW HERE when the farmer should begin to turn "mother earth." The saving of labor of both man and beast is necessary to compete with the low price of agricultural products. To do this we would recommend first, the

Economist Chilled Plow

as the "friend of the farmer," as the points and shares can be turned three or four times, thereby saving the expense of buying new ones. Next to the above is the

OHIO CHILLED PLOW

which excels all for lightness of draft.—Persons purchasing the above not only save labor but expense of shares and points.

We keep constantly on hand all repairs for above Plows, and also for the Oliver, Advance, Syracuse, Roland, Concave, Minor & Horton and Wiley Plows at my shops at Galena and H. H. Hyland's in Chestertown.

—WE MAKE—

THE BEST ROLLER

on the market and sell at a price to suit all.

"SUPERIOR DRILLS."

FARMERS who desire to purchase DRILLS for use this fall should call and see the SUPERIOR. It is said by those who have used it to be the most positive fertilizer drill and seed sower on the market. Sample Drills may be seen at my son's in Chestertown or at my Factory in Galena. It is manufactured in Springfield, Ohio.

Farmers who want Chilled Plow Castings and the best and cheapest plows on the market will find them at my Foundry and at H. H. Hyland's in Chestertown.

After long and careful study we have found the secret of how to make a good FARM BELL which we think superior to other makes.

A REMEDY FOUND AT LAST TO CURE

HOG CHOLERA!

LIEBERMAN'S

Hog Cholera Remedy

WILL POSITIVELY *CURE* AND *PREVENT* HOG CHOLERA!

IT is not a new remedy, but has been tried and experimented with for two years and found that if used when the hogs are first attacked that it will cure the Diseased Hogs and prevent the contagion from spreading to the others in the same pen.

SYMPTOMS OF HOG CHOLERA:

It is essentially a malarial fever. The animal however fierce and obstinate formerly is found more gentle and tractable; it shows decided signs of fever, elevated temperature alternating with cold shivers; the ears are more or less loped; hindquarters weak and the hog shows a strong tendency to lie down on the least provocation and hide in the litter, rising only when wanting to drink; no appetite but great thirst. It often stands drawn together, with arched back and tucked-up abdomen. Its gait is staggering and its grunt weak. Its cough is weak and has a peculiar hollow sound, not easy to describe. It breathes hard, with pumping flanks and soon loses flesh. The skin is harsh and scaly and soon becomes discolored with purplish patches around the snout, between the foreleg and inside the thighs.

To the independent SPOT CASH buyer, with invincible logic, red-hot bargains. We will meet all competition in

THOMPSON---Up Town.

TO THE PUBLIC GENERALLY:

Having been well patronized by the people of Chestertown and vicinity for the last seventeen years we tender our most sincere thanks for same and will in the future as in the past do our utmost to please all. We have and intend to keep in stock a full line of

Groceries, Provisions, Boots and Shoes, Notions,

Domestic Dry Goods, Tinware, Queensware, &c., &c.,

all of which will be sold at close figures. We have now a Ladies Button or Lace Shoe at $1; a man's Solid (or no sale) Plow Shoe at $1 a pair; a man's Dress Shoe at $1.25, $1.50, $2 and $2.50; and the best Glove Kid Top, kid front, worked buttonhole Shoe for Ladies and Misses at $1.75 that we ever saw—Having sold 600 pairs of them in two years without one just complaint. We also have a Kid-top Shoe for Ladies at $1.25 a pair, but please bear in mind that when you buy a pair of $1.25 kid-top shoes of us you will not get our $1.75 shoe, as we only advertise what we can and will do and nothing more.

LIME, HAIR, WHITEWASH BRUSHES, &c. We are selling the W. J. Lime, which is said by both carpenters and masons to slack at least one-fourth more than other lime, and having made a special contract for same would like builder as well as whitewasher to call and get prices.

We also have Wm. Lea & Sons, C. A. Gambrill's, and other brands of FLOUR, which we are selling by the Pound, Bag or Barrel as cheap as it can be bought in the city for the cash, as we sell Flour by the barrel for the CASH ONLY.

We aim to keep a little of everything and by buying our goods close for cash, and discounting all our bills we are enabled to meet all and any competition. Again thanking you for past favors we ask a continuance of same. Respectfully,

May 7, 1887. W. C. A. THOMPSON.
