CHESTERTOWN - OCT. 15, 1887

POLITICAL.

Teackle Wallis—Hello Brooks!

Brooks—Hello!

W.—Is it true that Senator Hodson, in his speech at the convention, called Cleveland "a whipped spaniel" like Foraker? Did he talk about us democrats being unregenerate rebels, and say the "culled brudder" was the best man of the two? Did he say that States rights ought to be knocked into h—, with all the people that believed in it? Did he say that the way the Radicals ran the government of this State from 1861 to 1865 was all right, and the best government we had ever had?

B.—Well, yes, but he did not mean it; he was just blowing off steam.

W.—Hold on! may be your platform guaranteeing against a new convention was just blowing off steam. How's that?

B.—I will guarantee that's all right.

W.—Guarantee? Why *you* offered to guarantee the Ways and Means Committee at the last Legislature that the Canton Company's stock was only worth $35 per share, and the committee found out it was selling for $60 that very day.

B.—Well, I was not responsible for that. John L. Thomas put me up to that.

W.—John L. Thomas? The old custom house badger that went back on Ned Wilkins and Morrison Harris and me in 1875? Good Lord! You don't expect me to help you with that gang around you? Good-bye. No Reform Salvation Army for me. I know when I've got enough. Found that out in Fort Warren. If you don't believe me ask John W. Davis.—*Argus.*

CORNELIUS VANDERBILT has put up a club house, said to be equal to any in New York; within a few blocks of the Grand Central depot, and has presented it to trustees for the use of the railroad employes. It contains a library with 6,700 volumes, a reading room stocked with periodicals, a social room for games and music, gymnasium, bowling alleys, bath rooms, a dining room and sleeping rooms for men detained in the city over night. The building was dedicated on Monday night with speeches and prayer by Bishop Potter.

BORING A SQUARE HOLE.—And now an Iowa man, who has spent fourteen years upon the problem, claims that he has made an auger that will bore a square hole. His invention is simply an oscillating head, with chisel edges and projecting lips, which cut out the corners in advance of the chisel. The rest of the machine is almost an exact counterpart of the old-style boring machine. It will cut a 2x4 mortise in from four to five minutes, with perfect accuracy, that a carpenter cannot complete in less than half an hour.

MRS. POLLY FORD, of Milford, near New Haven, was 100 years old on Sept. 1. She has not been to church since 1796, but is a member of the Congregational denomination. When in her 85d year she received her second sight, and can see better than many at 60 years of age. She sometimes has an idea that her daughter is her mother, but the delusion does not last long. Her health is comparatively good.

Wit and Humor.

I met a freckled village boy,
Who loitered by the way;
His hat was off, his brickdust curls
With balmy winds did play.

Oh, whither bound, bareheaded boy,
Beneath this blazing sky?"
"I'm going home—but have to wait
Until my hair is dry."

"I DON'T see how you can get so much news in one paper," said the village clergyman to the village editor, "seeing that you have no local reporter." "Oh! that's easy explained," replied the editor. "My wife belongs to three sewing societies in the village, and she has an excellent memory."

WHEN a woman gets on a street car and spreads out her skirts so that she occupies two seats you can make up your mind that her husband always sits on the edge of his chair and says "Yes, m'm," "No, m'm," to her.

Always Speak to the Right Man.

From the Boston Courier.

He—"Then you love me?" She—"I do." He—"And may I speak to your pa?" She—"No. Speak to ma. Pa ain't anybody in this house.

A PHILADELPHIA school girl, upon being asked by the teacher to define a hollow mockery, promptly replied, "A bustle."

To Farmers and Dealers in Kent and Adjoining Counties.

W. A. HYLAND,

GALENA, MD.,

THE SEASON IS NOW HERE when the farmer should begin to turn "mother earth." The saving of labor of both man and beast is necessary to compete with the low price of agricultural products. To do this we would recommend first, the

Economist Chilled Plow

as the "friend of the farmer," as the points and shares can be turned three or four times, thereby saving the expense of buying new ones. Next to the above is the

OHIO CHILLED PLOW

which excels all for lightness of draft.—Persons purchasing the above not only save labor but expense of shares and points.

We keep constantly on hand all repairs for above Plows, and also for the Oliver, Advance, Syracuse, Roland, Concave, Minor & Horton and Wiley Plows at my shops at Galena and H. H. Hyland's in Chestertown.

—WE MAKE—

THE BEST ROLLER

on the market and sell at a price to suit all.

"SUPERIOR DRILLS."

FARMERS who desire to purchase DRILLS for use this fall should call and see the SUPERIOR. It is said by those who have used it to be the most positive fertilizer drill and seed sower on the market. Sample Drills may be seen at my son's in Chestertown or at my Factory in Galena. It is manufactured in Springfield, Ohio.

Farmers who want Chilled Plow Castings and the best and cheapest plows on the market will find them at my Foundry and at H. H. Hyland's in Chestertown.

After long and careful study we have found the secret of how to make a good FARM BELL which we thihk superior to other makes.

We also have a Kid-top Shoe for Ladies at $1.25 a pair, but please bear in mind that when you buy a pair of $1.25 kid-top shoes of us you will not get our $1.75 shoe, as we only advertise what we can and will do and nothing more.

LIME, HAIR, WHITEWASH BRUSHES, &c. We are selling the W. J. Lime, which is said by both carpenters and masons to slack at least one-fourth more than other lime, and having made a special contract for same would like builder as well as whitewasher to call and get prices.

We also have Wm. Lea & Sons, C. A. Gambrill's, and other brands of FLOUR, which we are selling by the Pound, Bag or Barrel as cheap as it can be bought in the city for the cash, as we sell Flour by the barrel for the CASH ONLY.
