Bay View Leads Pace In Cecil County Loop With Rising Sun In Second Place. Race Close As Clubs Put Up Good Brand Of Base Ball

The base ball race in the Bi-State league is getting hot; in fact it has been rather warm for some weeks and the boiling point will be reached before long as the leaders head toward the line. Newark and Aberdeen are setting the pace with the Canners in the lead by one game as a result of a double victory the past week end while the Yellow Jackets were breaking even. Perryville sidetracked the Newark entry right at the time when the Blue Hen Staters were in full swing and the question now is whether or not the club will be able to take it and make a come back. The Jackets were up in the race in the first half, looked like good pace setters, but an upset put them in the ditch and they never were able to make up for the lost ground. However, Cleaver Potts knows his base ball and the Newary fans look to him to get the team under way again to give the leading Canners plenty of battle during the remainder of the journey.

Just when the Providence Papermakers looked as though they were going to have a say in the race, the Elkton Barristers came through with a great big surprise to bang out a double victroy over Ort Spratt's boys. From an Elkton standpoint too, there was no fooling about the matter as the score of 9 to and 17 to 4 indicate. Had Providence been up on their game and reversed the honors to the end.
