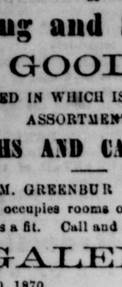
The Great Medical Discovery!

Dr. WALKER'S CALIFORNIA

VINEGAR BITTERS,

Hundreds of Thousands Bear testimony to their wonderful Curative Effects.

WHAT ARE THEY?



THEY ARE NOT A VILE

FANCY DRINK,

Made of Poor Rum, Whiskey, Proof Spirits, and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics" "Appetisers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter, and restoring the blood to a healthy condition. No person can take these Bitters, according to directions, and remain long unwell.

☞$100 will be given for an incurable case, providing the bones are not destroyed by mineral poisons or other means, and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism, and Gout, Dyspepsia, or Indigestion, Bilious, Remittent, and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They invigorate the stomach, and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Copious Discharges of Urine, Pain in the regions of the Kidneys, and a hundred other painful symptoms which are the offsprings of Dyspepsia, are cured by these Bitters.

Cleanse the Vitiated Blood whenever you find the impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE, and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed.

For full directions, read carefully the circular around each bottle, printed in four languages—English, German, French, and Spanish.

J. WALKER, 32 & 34 Commerce Street, N. Y. Proprietor. R. H. McDONALD & CO., Druggists and General Agents. San Francisco, California, and 32 and 34 Commerce Street, N. Y.

☞ SOLD BY ALL DRUGGISTS AND DEALERS.

They are a Gentle Purgative as well as a Tonic, possessing the combined excellence of all the vegetable purgatives, yet so mild as not to disturb the most delicate invalid, and may be taken by the youngest child of the family. As a Family Medicine they are the Best and Most Reliable in all cases of Derangement of the Digestive Organs, such as Dyspepsia, Biliousness, Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, they are unequaled by any other Bitters or Medicine. For Female Complaints, in young or old, married or single, at the dawn of womanhood or the turn of life, these Bitters have no equal; are safe and reliable in all cases of Debility or Obstruction, arising from whatever cause. As a Purgative they are mild, yet thorough, acting as a powerful agent in relieving Congestion of Inflammation of the Liver; and all the Visceral Organs.

Why is it that so many children die under the age of five years? That a large proportion of children die under that age, has long been a subject of remark, and without a satisfactory cause ascertained, it is certain.

Also, it is known that worms exist in the human system from its earliest infancy; therefore parents, especially mothers, who are more constantly with their children, cannot be too observing of the first *symptoms of worms*, for so surely as they exist, can they be

SAFELY AND CERTAINLY

removed from the most DELICATE INFANT by the timely use of

B. A. FAHNESTOCK'S VERMIFUGE.

IT IS PERFECTLY HARMLESS—contains no Mercury, being a

Purely Vegetable Composition,

And may be administered with the UTMOST SAFETY TO CHILDREN OF ALL AGES.

Worm Confections, made more for the purpose of pleasing the palate than of overcoming the disease, have been manufactured all over the country, but their short lease of life is nearly exhausted, and B. A. Fahnestock's Vermifuge continues to grow in favor daily.

CAUTION.

Should occasion require you to purchase B. A. Fahnestock's Vermifuge, be particularly careful to see that the initials are *B. A.* This is the article that has been so

FAVORABY KNOWN SINCE 1829,

And purchasers must insist on having it, if they do not wish to have an imitation forced upon them.

BLACK

CHESAPEAKE INK

I have discovered a Chemical Combination by means of which I produce an Ink

VASTLY SUPERIOR IN EVERY RESPECT TO ANY OTHER WRITING FLUID EVER BEFORE INVENTED.

It is of a JET BLACK COLOR,

and is perfectly indelible, does not change in the least even when subjected to acids which entirely erase and destroy all other inks; consequently it is the

ONLY RELIABLE INK KNOWN

for signing BANK NOTES, writing or recording DEEDS, &c., and will doubtless last as long as the paper or parchment on which it is written.

It flows easily from the pen; does not corrode or gum up; does not blot. It can be written with across the sheet over the wet writing without blurring the first writing.

It is an excellent substitute for India ink in making drawings or fine line ruling, and can be written on the thinnest paper without spreading.

It is sold for one half the price of the many worthless fluids bottled and sold as writing ink, and is a home manufacture.

This ink is now for sale by the bottle, dozen, or gross, and a liberal discount allowed to merchants.

MANUFACTURERS OF

GRAND, SQUARE AND UPRIGHT

PIANO-FORTES.

WAREROOMS—350 West Balt. St., near Eutaw

BALTIMORE, MD.

THESE instruments have been before the public for nearly thirty years, and upon their excellence alone attained *an unpurchased pre-eminence* which pronounces them unequaled.

Their TONE combines great power, sweetness and fine singing quality, as well as great purity of intonation, and evenness throughout the entire scale.

Their TOUCH is pliant and elastic, and entirely free from the stiffness found in so many Pianos. In WORKMANSHIP they are unexcelled, using none but the very best seasoned material, the large capital employed in our business enabling us to keep continually an immense stock of lumber, etc., on hand.

All our Square Pianos have our new Improved Overstrung scale and the Agraffe Treble.

We would call special attention to our late improvements in Grand Pianos and Square Grands, patented August 16, 1866, which bring the Piano nearer perfection than has yet been attained.

Every Piano fully warranted for Five Years.
