COUGHS, SORE THROAT, ETC.

No Medicine or Treatment can excel the Powerful Curative Power of

DR. SIMMS' WHITE PULMONIC BALSAM.

It cures with a rapidity unequalled by any other remedy offered for Throat and Lung diseases. It is recommended by over 2,000 persons in Wilmington, and hundreds in Philadelphia, Baltimore and other cities and communities throughout the country. Mr. Pennington, of Wilmington, Illinois, writes that there is not (with a few exceptions) a family in that city who will be without it if possible to procure it. Such is its popularity wherever it is known—and this popularity arises from the fact that it universally cures all who use it. There is no case of *Coughs, Colds, Sore Throat, Asthma, Bronchitis, Croup, Blood Spitting, Hoarseness,* and even *Pulmonary Consumption,* where the system is not broken down with the wear of the disease, or pretended medicine, or inexperienced advice, that this Balsam will not cure if carefully used, according to directions. We guarantee it all we represent it to be, and invite a trial from the afflicted everywhere. Price, 50 cents, medium size, and $1 for large size bottles. Prepared only by

J. J. TURNER & CO.'S

Ammoniated Bone Super-Phosphate.

ANALYSIS:

Ammonia - - - -	2 83
Soluble Phosphate of Lime -	29.51
Bone Phosphate of Lime -	10.67

For Corn, Oats and spring crops generally, it has no superior. Very high encomiums have also been paid its efficacy in the growth of Wheat and Tobacco the past three years, ever since its introduction. Composed of the most concentrated materials, it is richer in Ammonia and Soluble Phosphates than any other fertilizer sold, except our "Excelsior," and is made with same care and supervision—uniform quality guaranteed. Fine and dry, in excellent order for drilling. Packed in bags and barrels.

☞ PRICE $55 PER TON.

J. J. TURNER & CO.,

TO WHEAT GROWERS.

"EXCELSIOR."

Containing Ammonia - -	6 per cent.
Super-Phosphate equivalent to Bone Phosphate of Lime	57 "
Potash and Soda - - - -	5 "

We again call the attention of the farmers of Maryland and Virginia to our EXCELSIOR, composed of 700 pounds of No. 1 Peruvian Guano, and 1,300 pounds of Soluble Phosphate of Lime (bones dissolved in sulphuric acid,) potash and soda, forming the most concentrated, universal and durable fertilizer ever offered to the former—combining all the stimulating properties of Peruvian Guano, and the ever durable fertilizing properties of Ground Bones.

Excelsior is in fine dry powder, prepared expressly for drilling, and can be applied in any quantity per acre, however small; and it is the opinion of many close calculating Farmers, after TWELVE years experience in testing it side by side with other popular fertilizers that an application of 100 pounds of Excelsior is equal to 200 to 300 pounds of any other fertilizer of guano offered for sale, therefore is fully 100 to 200 per cent cheaper.

☞ *The very best evidence we can offer of the value of our Excelsior as a crop grower and fertilizer, is the fact of its being imitated and counterfeited in this and other cities.*

Farmers should see that the ANALYSIS and name of J. J. TURNER & CO., are branded on every bag *in RED LETTERS.* All others are counterfeits.

POUDRETTE.

Twenty Years Success.

The Cheapest and Best Fertilizer extant.

$22 PER TON; 40 CTS. PER BUSH.

Especially prepared for Wheat, Rye, Turnips and Grass. It has no equal for all kinds of Grain and Vegetables, substantiated by references unsurpassed for reliability. Is a NATURAL MANURE free from adulteration. Every ton is taken from the privy well under our own supervision, it being an important branch of our business, having for twenty years sold it on its own merits and the demand constantly increasing we have extended our facilities for procuring night soil thus to accommodate new customers, while retaining our old patrons with the best fertilizer at a fraction of the extravagant prices of the many manufactured compositions called fertilizers. It is safe to predict at no far distant day experience will prove there are but two fertilizers besides good farm yard manure, "Poudrette and Guano, the only natural manures in the market." The farmer can illy afford to squander his money on the many manufactured compositions emblazoned through the columns of the rural press as fertilizers. The POUDRETTE is free from odor and agreeable to handle or apply. Our factories are open for the inspection of all interested in the use of Poudrette. Price $22 per ton.

The Great Medical Discovery!

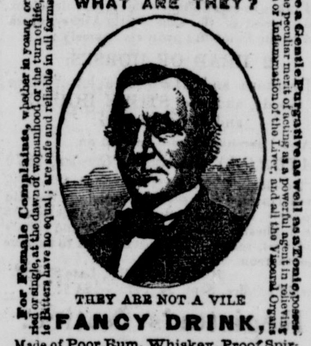
Dr. WALKER'S CALIFORNIA

VINEGAR BITTERS,

Hundreds of Thousands

Bear testimony to their wonderful Curative Effects.

WHAT ARE THEY?



THEY ARE NOT A VILE

FANCY DRINK,

Made of Poor Rum, Whiskey, Proof Spirits, and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics" "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter, and restoring the blood to a healthy condition. No person can take these Bitters, according to directions, and remain long unwell.

$100 will be given for an incurable case, providing the bones are not destroyed by mineral poisons or other means, and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism, and Gout, Dyspepsia, or Indigestion, Bilious, Remittent, and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They invigorate the stomach, and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Copious Discharges of Urine, Pain in the regions of the Kidneys, and a hundred other painful symptoms which are the offsprings of Dyspepsia, are cured by these Bitters.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE, and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed.

For full directions, read carefully the circular around each bottle, printed in four languages—English, German, French, and Spanish.

For Female Complaints, whether in young or old, married or single, at the dawn of womanhood or the turn of life, these Bitters have no equal; are safe and reliable in all forms of disease.

They are a Gentle Purgative as well as Tonic, possessing also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

B. A. FAHNESTOCK'S VERMIFUGE.

Why is it that so many children die under the age of five years? That a large proportion of children die under that age, has long been a subject of remark, and without a satisfactory cause ascertained, it is certain.

Also, it is known that worms exist in the human system from its earliest infancy; therefore parents, especially mothers, who are more constantly with their children, cannot be too observing of the first *symptoms of worms,* for so surely as they exist, can they be

SAFELY AND CERTAINLY

removed from the most DELICATE INFANT by the timely use of

B. A. FAHNESTOCK'S VERMIFUGE.

IT IS PERFECTLY HARMLESS—contains no Mercury, being a

Purely Vegetable Composition,

And may be administered with the UTMOST SAFETY TO CHILDREN OF ALL AGES.

Worm Confections, made more for the purpose of pleasing the palate than of overcoming the disease, have been manufactured all over the country, but their short lease of life is nearly exhausted, and B. A. Fahnestock's Vermifuge continues to grow in favor daily.

CAUTION.

Should occasion require you to purchase B. A. Fahnestock's Vermifuge, be particularly careful to see that the initials are *B. A.* This is the article that has been so

FAVORABY KNOWN SINCE 1829,

And purchasers must insist on having it, if they do not wish to have an imitation forced upon them.
