KENNEDYVILLE W. C. T. U.

The Flower Mission service of the Kennedyville W. C. T. U. which was to have been held June 9th was unavoidably postponed, was held 14 inst. in the M. P. Church. After a short song service with Mrs. Annie O. Redmile at the organ, the meeting opened with singing "Trust and Obey." Prayer by Mr. W. J. Hurlock, and a very instructive scripture reading by Mrs Othoson. As each one entered the church, a little boy at the door presented them a card bearing a quotation from Miss Willard, which each one was requested to read aloud, quite a number responded. Minutes of the last meeting were read by the secretary. A very interesting sketch of Jennie Cassidy, and the object of Flower Mission was given by Mrs. Emma Shafer. Little Miss Bertha Price sang very sweetly a beautiful solo: "Roses Blooming everywhere."

The president Mrs. Othoson introduced as the spaeker of the evening Rev. Albert Chandler, of Smyrna, who gave us a most excellent temperance talk.

He spoke of the serpent that crawls over our land and that lurk's in the social wine glass to tempt our boys and girls to ruination and destruction. Sometimes the very best and brightest, those who hold high positions in life, fall victims to his wily schemes. He said he had great sympathy for the drunkard, his wife and children, and spoke of the disgrace of being a drunkard's child, how they are shunned and avoided, even though they themselves may may be worthy of better treatment. Some claim liquor is a necessity in cases of illness but this has been clearly proven to be a mistake. Whiskey is more destructive than war, pensions are provided for the soldier's widow, but there is no pension for the drunkard's wife. He pointed out the indifferance of christian people who manifest there consent to all these evils by their silence and wait for the W. C. T. U. to take the lead.

He asked the pertinent questions, "Where do you stand in this matter and what are you doing to rid our fair land of this terrible curse and bring prosperity and happiness to the homes that are blighted with misery and woe through this great evil? What are you doing to stop all this crime and close the door of the saloon? Echo! What are you doing?" The floral offering was profuse and beautiful.

Three large boxes were sent to the Hospital in Philadelphia of which Mrs. Maggie Long is an inmate, she being seriously injured by the falling of a bill board while hurrying to reach home during a wind storm that visited Philadelphia some weeks since. Mrs. Long was before marriage Superintendant of Flower Mission in our Union and we wish to do for her what she took so much pride in during for others and to show our appreciation of her former service and our sympathy for her in her affliction.

Locust Grove Notes.

Miss Etta Matthews, of Dover, who has been visiting Mrs. W. H. Kelley has gone to Chestertown.

Miss Lydia George and Master Howard Price is visiting Mrs. S. S. Price.

Miss Erma Medders, of Baltimore, is visiting her parents, Mr. and Mrs. Andrew Medders.

Mrs. Jones and son are spending a few days with Mrs. Jones' parents, Mr. and Mrs. Charles Sutton.

The children of our school have long been counting the remaining days of school. They have vanished at last, and, oh! how glad they were when the shutters were closed and doors locked for the last time for a long vacation. Although if they were glad of their vacation they were sorry to part with their dear teacher. Miss Matthews will be welcomed very much when school opens next September by both parents and children.

Miss Anna S. Matthews is spending most of her vacation in Virginia.

The children of our school held a picnic on the lawn of Mr. Charlie Campbell on Wednesday.

Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

KIDNEY DISEASES CAUSE ONE-THIRD OF THE TOTAL DEATHS.

When the Kidneys fail to perform their functions properly by not straining out the poisonous waste matter from the blood as it passes through them, the poisons are carried by the circulation to every part of the body, deranging the different organs. This causes heart trouble, stomach trouble, sluggish liver and a host of other ills, all due to deranged Kidneys.

FOLEY'S KIDNEY CURE

corrects irregularities and cures Kidney and Bladder diseases in every form, tones up the whole system, and the diseases that have resulted *from* disordered Kidneys disappear, because the *cause* has been removed. Commence taking FOLEY'S KIDNEY CURE at the first sign of danger. Do not risk having Bright's Disease or Diabetes.

CURED OF BRIGHT'S DISEASE.

Mr. Robert G. Burke, Elnora, Saratoga Co., N. Y., writes:—I am glad to have an opportunity of telling what magnificent results I have had from using FOLEY'S KIDNEY CURE after having tried other advertised medicines and several physicians. Before I began it I had to get up from 12 to 20 times each night to relieve my bladder. I was all bloated up with dropsy and my eyesight was so impaired that I could scarcely see one of my family across the room. In fact, I was so badly used up that I had given up hope of living when I was urged by a friend to try FOLEY'S KIDNEY CURE. One 50-cent bottle worked wonders, and before I had taken the third bottle the superfluous flesh had gone, as well as all other symptoms of Kidney trouble. My friends were surprised that I was cured, as they all thought I was going to die. Every few days some one comes from miles away to learn the name of the wonderful medicine that cured me of Bright's Disease, and not one that has tried it has failed to be benefitted.

Two Sizes, 50 Cents and $1.00.
