A Wonderful Saving.

The largest Methodist Church in Georgia, used 32 gallons of L. & M. mixed with 24 gallons of oil, thus making the paint cost about $1.20 per gallon. They calculated to use 100 gallons of other paint. Saved about $80.00, and also got a big donation of L. & M. Dealers gladly sell L. & M., because their customers call for it, and say they used it 12, 14 and even 30 years ago.

Buy oil fresh from the barrel at 60 cents per gallon and mix with Longman & Martinez L. & M. Paint.

It makes paint cost about $1.20 per gallon. Sold by Smith & Graham, Chestertown; F. H. Harper & Son, Still Pond; J. W. Ivens, Worton Clements & Co., Crumpton, Md.

BILTMORE WILL BE RENTED!

Estate Supplies Butter, Milk, Ice-Cream and Garden Products at Fancy Prices.

George W. Vanderbilt is to divide the departments of his Biltmore estate near Asheville and will let them. He is tired of farming. He has been sufficiently amused. The Biltmore farms have never begun to pay, and one annoyance after another has been the story. Employees have appropriated his funds, and his general manager was dismissed on this account some time ago.

Mr. Vanderbilt has endeavored to conduct his farming operations on the most advanced basis. His stock was the finest that money could obtain, bought by agents, whom he sent abroad. His chickens were worth $5 apiece and his hogs almost their weight in silver. Some of his Berkshires would bring more than $1000 each His annual stock sale was attended far and wide.

He has supplied Asheville and Biltmore with milk and butter for years, also with wood, and has supplanted all markets by his famous truck farm, which has been abandoned since his decision to let part of the estate. Mr. Vanderbilt got a higher market price than any one else, even for his ice cream, which is sold at his dairy for twice the amount that ordinary ice cream brings.

Oversees Affairs Himself.

He is to come back to Biltmore early this fall from Bar Harbor and will superintend affairs himself. He has been much dissatisfied with the way things have been going for the last few years. Since he came home from Europe a year ago he has succeeded in cutting down expenses generally. He has superintended personally much of the work on his estate. For several weeks before leaving here for Bar Harbor he was engaged in overseeing the clearing of a large tract of land. He was on hand every morning with the workmen, and at 12 o'clock took an hour off for luncheon. He stayed until 6 in the evening.

With the change he is to make it means that the men in charge of his various departments will go. He has several hundred employees looking after his farms. Superintendent Gentry and Assistant Superintendent Ross will leave his employ. Mr. Vanderbilt will spend the entire fall and winter at Biltmore House, and is to transfer his legal residence to Biltmore this fall.

Popular Firm Expanding.

After eight years of unprecedented success and increase in the volume of business, which has necessitated the building of no less than five additions to the original five-story structure occupied by it, the firm of Hochschild, Kohn & Co., Baltimore is once more forced by their immensely increased volume of trade to seek more floor space for their stock, and have purchased the stock and good will of the business, as well as the three-story building occupied by The Charles Simon's Sons' Company, at 208 North Howard street. The price paid has not been made public by either party to the sale, but it is understood to be a large one.

The firm of Hochschild, Kohn & Co., although only engaged in the department store business in Baltimore for a little less than eight years has enjoyed the enviable record of having each successive year's business show an increase in volume over its predecessor.

From time to time in the course of the last few years it has been found necessary to build additions to the big store. Each addition would seem at the time to be sufficient to accomodate the firm's business for some years to come, but in each instance, so great did the growing volume of its trade become, that it was soon not only expedient, but absolutely necessary, to build another.

By its most recent addition the firm will be able to avail itself of the floor space as well as the stock and good will of one of the oldest firms in Baltimore, the Charles Simon's Sons' Company having been in continuous business for almost ninety years.

The members of the firm of Hochschild Kohn & Co., are Messrs. Max Hochschild, Louis B. Kohn and Benno Kohn. They were never associated in business until the establishment of the present firm. For many years Mr. Hochschild conducted a retail business under his own name on Gay street, and the Messrs. Kohn were members of the well-known wholesale house of B. Kohn & Company.

Two Very Big Girls.—The biggest girls in West Virginia are the Davis sisters, of Centreville, Wayne county. The older, who is 22 years of age, weighs 713 pounds, and is so large that she cannot walk. Neither can she talk. The younger, who is 17 years old, weighs only 575 pounds, but she has hope of equaling her sister in size when she reaches her full growth. The sisters live in a log cabin, and they have steadfastly refused offers from the managements of circuses to travel in the side show.
