We're "all at sea"-it's smart to be nautical in interior decorations these days. Upholstery, rugs, wallpaper, Maryalnders follows: china, glass, lamps, linens, bath mats, 6 large peaches towels-all have seagoing designs, whether they are used in a shore bungalow 1/2 teaspoon mace or in a mid-West mansion a thousand

miles from the ocean. You don't have to know the meaning of the code flags used in some designs to enjoy their liveliness. Anchors, compasses, fish and sailors' knots are other popular designs this summer. "Compass" is an amazing ship design for linens for hot weather entertaining. is the work of the textile designer, Marguerite Mergentime. "Marine Stars" wine or brandy. Grate the rind of the is another-a luncheon cloth in red or white or blue on white, with stars excitingly arranged, and a border of flags peaches are tender. Serve hot. The with stars and stripes.

spirit come from the same designer- cold. Canned peaches may be used and there's a "code flag" series, "midship" one tablespoon Muscatel wine added to and "diagonal stars." They're so gay replace the fresh peach pit flavor. Place that you'll want to do over your bath- spoonful of whipped cream on top each room in red, white and blue.

For the table linens, there is china to match. Very smart are the white Knitted Clothes Appear plates with wide blue or red border and an anchor or sailors' knot in the center -or a ship in full sail. For a centerpiece, all you need is a pair of white sailor boy figures—dancing a horn- very popular, both for day and evenpipe.
