Hagers Town Apl. 10. 44.

Dr Sir

It is with feelings of deep mortification and distress, that I am compelled under peculiar circumstances, to discontinue my attendance in a Church to which I have been so long attached, and to which I have heretofore so largely contributed:-
and I have therefore inclosed $15. the amt. due for the last six months rent of the Pew lately occupied by myself and family. and request that the same be considered as vacated by me from the 1st. instant

Yrs. Resp.
O. H. Williams

To the Register of

Hagers Town

Dr Sir

You will please furnish me with the amount of Pew rent due you as Register of Saint Johns Parish, which I am desirous of liquidating, as I consider myself no longer a Pew holder

Very Respectfully
Yrs. B. Nelson
