WILL BUILD NEW HOME

The Kent County Savings Bank Purchases an Eligible Site on High Street —Business Growing Every Year.

The Gardener—Baker property, located on High street and occupied by John D. Urie, Esq., as a law office, the Savings Bank as a banking house, and H. B. Rote as a jewelry store, was sold at public sale Tuesday by John D. Urie, trustee. President J. K. Aldridge bought the property for the Kent County Savings Bank for $8,000. The lot fronts on High street 50 feet with a depth of 125 feet.

It is the purpose of the bank to erect first an up-to-date banking house on the site and it maybe that a lodge room can be added in a second story. Plans will be studied during the winter and the work begun next year. The directors have long wanted a home for this flourishing institution and its realization seems to be in sight.

Matinee Races.—Good racing was held at Mr. Wm. A. Bell's track on Tuesday afternoon last. Among the participants were George Brice's Marvel King, Joe Stoops' Lankford S., W. C. A. Thompson's John B., Jos. Kennard's Foxy Grandpa, Wm. Bell's Linwood, Samuel Nickerson's mare and colts belonging to Clements Jester, John Eliason and Edw. Woodmender. Next Tuesday afternoon a special race between Schley Russell and Marvel King has been arranged.
