The Vestry met at the Rectory. Present the Revd Rector. William H. Fitzhugh John Thompson Mason. Col. Charles Macgill William Mother. James R Jones. Geo Dorsey

The Rector having notified the Vestry that he had received an invitation to the Rectorship of St. Peters Church Washington North Carolina it was on Motion Resolved as the unanimous opinion of the Vestry, that the acceptance of such call is very much inexpedient and would be calculated to prove highly injurious to the welfare and best interests of the Parish, and they therefore earnestly hope, that no such steps may be taken on the part of the Rector

A Statement was made to the Vestry to the effect that the Present revenue of the Church is insufficient to meet the annual expenses. Whereupon, it was Resolved, that a Committee of three, be appointed, to visit the Pew-holders and others to solicit annual subscriptions and aid in meeting the expenses - Dos. Charles Macgill James R. Jones and Zachariah S. Clagett were appointed such Committee -

The Vestry then adjourned
