To the Vestry of Saint Johns Parish

Gentlemen

Having received within a few days past a very cordial and unanimous invitation to the Rectorship of Trinity Church at Pittsburg Pennsylvania, it seems to be under all the circumstances of the case, my duty to accept the Same. I therefore beg leave to tender you my resignation of the Rectorship of this Parish — In doing so, I should fail to do Justice to my own feelings, did I not bear witness to the uniform kindness and respect which I have met with at your hands - It is with many, and deep regrets that I contemplate the severance of this my first Pastoral tie, and a Separation from those who under varying and trying circumstances, have proved themselves such true and faithful Friends.
