One of the features of the evening was the eloquent music and fine singing. Rev. C. M. Cullum, the pastor, seemed radient and delighted. There was over $15 taken up at the collection which was most gratefully received.

HORSE NOTES.

Effect of Alsyke Clover On Horses—Remedy Recommended.

Messrs. J. D. Bacchus, H. L. Boyd and other horse owners have written to Dr. S. S. Buckley, veterinarian at College Park, regarding effects of Alsyke clover on horses, to which he replies as follows:

"My Dear Sir:—In reply to your letter of inquiry regarding the effects of Alsyke Clover on horses, will say the disease is known as "Trifoliosis" or "Clover Disease" of the horse. The symptoms commonly are localized upon the skin and membrane lining the mouth. There is a swelling of the face, inflammation of the lips and mouth with tendency to form ulcers and sloughing of the membrane. These parts are very sensitive. German authorities claim that exclusive feeding of this clover produces jaundiced appearance of eyes and mouth membranes, colics, great weakness, drowsiness and death.

Treatment:—Since the trouble is due to feeding on the clover instead of contact with it, they must be deprived of it and the condition treated according to circumstances. I would suggest giving morning and night for three or four days about 10 grains of Calomel and keeping the bowels freely open. Also ad vis bathing the affected parts with a solution of Sal Ammoniac 1 part to 10 of water.

There is no prescribed method of dealing with this condition, and I would be very glad to have this given a thorough trial. If possible have this used in several typical cases and let me hear the results."

Messrs. W. C. A. Thompson, William Robertson, William Duyer and J. E. Ferguson are driving promising colts.

D. B. McMenamin is said to keep one of the cleanest stables in Kent.

The sale of horses Saturday in Chestertown belonging to the late T. J. Vickers was well attended and horses sold high. W. W. Beck, Esq., had charge of sale.

$520 From One Acre of Berries.— Last year Jacob H. Ross had an acre of the Chipman Seedling strawberry which netted him $520, says the Milford Chronicle. This year the same acre at the first three pickings has yielded one hundred and ten thirty-two quart crates of handsome berries, which have sold from 12 to 18 cents per quart, or a total of $528. It must be kept in mind tha these three pickings are not much over one-half of the yield of this one acre, but the prices for the balance of the season will not be anything like so large. This is a snug little pile to get off of one acre of Delawars soil, but it shows what an intelligent, careful and systematic farmer is doing. They are still picking this acre and are getting fine berries from it.

S. SCOTT BECK, SOLICITOR.

Order of Publication.

John V. Kilbourn, S. Scott Beck, Assignee,
vs.
Wesley Watson, Ella Watson, his wife, S. Scott Beck, Administrator of John Watson, deceased, John Thomas Watson, Lela Watson, Benjamin F. Watson, Earnest Watson, Anna Watson, Kate Watson, infants.

In the Circuit Court for Kent County In Equity. No. 1659.

THE object of this bill is to procure a decree for the sale of Real Estate of John Watson, deceased. The bill of complaint of John V. Kilbourn and S. Scott Beck, Assignee, by S. Scott Beck, their Solicitor, who sue as well for themselves as for all other creditors of John Watson, late of Kent county, Maryland, deceased, who will come in and contribute to the expenses of this suit, respectfully shows.

That the said John Watson was in his life time indebted unto your orator, John V. Kilbourn, in the full and just sum of four dollars and ten cents, with interest thereon from the 12th day of November, 1907, upon open account, which account is filed herewith and marked complainants Exhibit No. 1.

That the said John Watson was in his life time also indebted unto one Thomas W. Trew in the full and just sum of thirty-three dollars and eighty-seven cents, with interest thereon from the 4th day of January, 1907, upon a balance due, upon open account, which account the said Thomas W. Trew did on the 13th day of January, 1908, assign to your orator, S. Scott Beck, and which said account and the assignment thereof is filed herewith and marked Complainants' Exhibit No. 2.

That the said John Watson being so indebted unto your orators as aforesaid and also unto divers other persons and having real estate of some value and personal estate of little value, departed this life sometime during the month of December, 1907, leaving the following children surviving him as heirs at law: Wesley Watson, who married Ella Watson, both of whom are adults and non-residents of this State, but reside in the State of Pennsylvania, and also the following infants, all under the age of fifteen years: John Thomas Watson, Lela Watson, Benjamin F. Watson, Earnest Watson, Anna Watson and Katie Watson, all of whom reside in Kent county, State of Maryland.

That administration of all and singular the personal estate of the said John Watson has been granted unto S. Scott Beck, by the Orphans' Court for Kent County, as will fully appear by reference to a certificate of letters of administration granted on the estate of the said John Watson, which is filed herewith and marked Complainants' Exhibit No. 3.

That your orators are informed and believe that the said personal estate is not sufficient to pay the just debts of the said John Watson and the cost of administration and your orators are advised that in order to pay their claims and the other debts due from the said John Watson it is necessary for the said real estate to be sold, which said real estate is in the Seventh Election District of Kent County aforesaid, on the right side of the public road leading from Lankford into Broad Neck, containg one acre of land more or less, which property was conveyed to the said John Watson by George Beck and wife by deed dated the 18th day of November 1905 and recorded among the Land Records for Kent County aforesaid, in Liber J. T. D. No. 12, folio 336, etc., a certified copy of which said deed is filed herewith and marked Complainants Exhibit No. 4, and there is nothing else out of which your orators can secure the payments of their claims.

To the end therefore that the said real estate of the said John Watson, deceased, be sold for the payment of your orators' claims and the other debts which may be due from the said John Watson and that your orators may have such other and further relief as their case may require:—

It is thereupon this 22nd day of May, 1908, ordered by the Circuit Court for Kent County in Equity that the complainants John V. Kilbourn and S. Scott Beck, assignee, by causing a copy of this order to be inserted in some newspaper, printed and published in Kent County, Maryland, once in each of four successive weeks before the 22nd day of June, next, give notice to the said non-resident defendents, Wesley Watson and Ella Watson, his wife, of the object and substance of this bill and warning them to appear in this Court either in person or by solicitor on or before the 10th day of July next, to show cause if any they have why a decree ought not to be passed as prayed.
