I hereby certify that the above is a list of the Registered Voters of the Fifth Election District of Kent county, as corrected by me on the 16th, 17th and 18th days of September, 1872.

JAMES H. EDES, Reg'r.

Wheat Growers—Do not jeopardize your crops this year, by using untried fertilizers.—The "Excelsior," manufactured by J. J. Turner & Co., has been used successfully for the past thirteen years, and it is the best.

A Fragrant Breath and Pearly Teeth are easily attained, and those who fail to avail themselves of the means, should not complain when accused of gross neglect. The SOZODONT will speedily eradicate the cause of a foul breath, beautifying and preserving the teeth to the oldest age.

Spalding's Glue is useful in every house.

Old Things Have Passed Away.

This is at least true of the old method of treating the long abused and much abused human body. It is no longer considered wise to put a patient to the torture in order to cure him of a disease in which pain is already undermining the energies of his system. True science ranges itself on the side of nature, and endeavors to assist her in her fight against disease. This is the province of Hostetter's Stomach Bitters, the most approved tonic ever advertised in this country. It may be recommended as a fall medicine, par excellence; for it is in the fall that biliousness, dyspepsia and malarious fevers are especially prevalent. The frame, exhausted by the heats of summer is relaxed and feeble at its close, and requires, we may say DEMANDS, artificial assistance. Afford it that assistance in occasional doses of Hostetter's Stomach Bitters, and the evils referred to may be escaped. Throughout the far West, and on the steaming alluvial of the Southern rivers, all the varieties of periodical fever are probably rife to-day. Had a course of Hostetter's Bitters been commenced by the sufferers a month ago, i. e., before the unhealthy season set in, seven-eighths of them would in all probability be in their usual health at the present time. So much for want of forecaste. So much for not keeping in the house, and using daily, the best safeguard against epidemic and endemic fevers.

As flocks of imposters and imitators are trying to follow in the wake of the great American remedy, therefore be sure that the article you buy is genuine and verified by the proper trade-marks. The true article can only be obtained in bottles. Beware of the spurious bitters sold by the gallon or in keg.

The Enterprising Firm of Hines & Burchinal, Chestertown, are selling Turner's Excelsior, Whitelock & Co.'s Phosphate, Pacific Guano, Moro Phillips' Eureka, Excelsior, and Horner's Pure Ground Bone, and will deliver them either on the Chester or Sassafras river. t190.

Wheat Growers—Use the "Excelsior" Guano, manufactured by J. J. Turner & Co., if you wish to grow large crops; 100 pounds of it are equal to from 200 to 300 pounds of any other fertilizer.
