DON'T forget to register next Tuesday.

ON another page of the NEWS will be found the county levy showing every item of expense and arranged in a comprehensive manner by the expert and efficient clerk, Mr. Charles L. Dodd.

THE activity of Democrats in Kent in forming clubs is a good sign. It means that the people are taking an interest in this fight. Every man should lend his help to this fight to overthrow the trusts and combinations.

THE Republican party has been and is the friend of monopoly and trusts and if Taft is elected they will throw up their hats for joy. Who put all the money into Roosevelt's campaign? Everybody knows now, however much he denied the fact for awhile.

W. R. HEARST is doing a service to his country by exposing the men in high places who are in the employ of the Trusts. It is said that the Executive Committee of the Republican campaign are Trust magnates!

POOR Senator Foraker. Ten days ago he was looked on as a great man but he has been playing in pitch, got besmirched with black, and today is down and will soon be out! He was in the employ of the Standard Oil Co., and got big money for his services.

THE effort of the State's attorney and those in authority to break up this nefarious speak-easy business has the commendation of all good citizens. It means hard work, abuse and expenditure of money but we are confident the tax-payers will sanction the action and congratulate the authorities on the good work accomplished.

WE publish elsewhere in this issue an appeal to Democrats throughout Maryland to contribute to the support of the necessary campaign expenses, which explains itself. This is a fight of the masses against government controlling classes, and every Democrat who feels able should contribute his mite.

How can Roosevelt have the effrontery to charge any man with associating with the Standard Oil Company, when Mr. Parker and Gov. Hughes uncovered the conditions which existed during the campaign of the present President. It was proven that he was elected by means of contributions from big insurance companies and rich corporations. Nearly every insured man was taxed more or less to help debauch the voter who cast his ballot for Roosevelt. It is a case of stop thief, stop!

THE Board of Liquor Lincense Commissioners, of Baltimore, have ousted Clarence W. Perkins, Esq., as their counsel and named "Stovey" Brown in his place. The only reason assigned for the change is because Mr. Perkins had done his whole duty! "Well done, thou good and faithful servant. Get out!" is the new version. "Stovey" had to have a place and Mr. Perkins had to give up to him. This is what some call "politics." We would call it rather browny and a dark shade, too.

BRYAN made it so hot for fatty Taft in the East that all his helpers tried to scare him back home, but he would not run worth a cent. Finally Taft ran back to "Papa" Roosevelt and asked him to help silence this man. Now Roosevelt is trying to stay the tide that is rapidly carrying Bryan to victory. The Republican papers are calling for help and there is consternation and alarm even in Pennsylvania.

The Baltimore Sun is becoming anxious and says the Republicans are doing nothing while the Democrats are alive and active. This is Bryan's year and the indications are now for a great landslide in his favor. Keep up the work.

THE following are among the jurors drawn for Queen Anne's court:

Crumpton District—Cooper Tarbutton, Denny Hoffecker, Joel T. McGinnes, S. Olen Smith, George I. Harrison, Charles H. Jefferson. Sudlersville District—Chas. E. Joslin, Jesse H. DEMOCRATIC CAMPAIGN CONTRIBUTIONS

The undersigned, as Treasurer of the Committee of One Hundred, a political organization throughout the State of Maryland for the purpose of electing Bryan and Kern and the regular Congressional candidates of the Democratic party, having duly given bond to the State of Maryland and filed the same with the Secretary of State, as provided under chapter 122 of the Acts of the General Assembly of Maryland of 1908 for the purpose of preventing corrupt practices, is now in position to receive and account for, according to law, such contributions as may be made by all citizens; and has also been appointed by the Democratic National Committee member of the Finance Committee of the National Organization for the State of Maryland.

This new law, which throws much labor on political treasures, directs the names of all contributors and the amounts to be made a public record in the Circuit Court Clerk's office of the respective counties or Baltimore City. No subscriptions without the name of the giver can be received. Any person who subscribes in any other name than his own, and every treasurer who knowingly receives such a subscription, is subject to fine and imprisonment and will be ineligible to public office for four years from the date of the offence. A detailed account of expenditures is required. The law prohibits subscriptions from corporations. The publicity thus given to all subscriptions is apparently intended to discourage them from the special interests for improper purposes and also correspondingly to encourage the party leaders and beneficiaries, including the rank and file of the people, whose interests are served by honest government, to bear the campaign expenses of the party which they choose to support. The public record of contributions will thus serve as an index of the individuals who give financial support to the Democratic party in this important campaign.

Every Democrat in the State of Maryland, who is financially able, should at once make a contribution for the couse either to a local Treasurer, to the Treasurer of the State Central Committee, Hon. Murray Vandiver, or to the undersigned and the name of the contributor will be placed on the Roll of Honor to be recorded in the courts of record as directed by the Statute.

If the people desire to rule and throw off the yoke of the special interests, they should respond to this lawful opporpunity and contribute to necessary and proper political expenses.

BLAIR LEE, *Treasurer.*
