AUGUST 1st, 1873.

ALL INDEBTED to THOS. H. WHALAND will be good enough to settle. It would give him much pleasure to indulge for any length of time if it were possible, but he owes some money, which must be paid either by collections, borrowing at a premium, or assigning paper at a discount, which he ought not to be compelled to do with the amount of money he has due, and which ought to have been collected a long time ago. His professional engagements will not allow him to make individual calls. Hoping this notice will relieve him from any more unpleasant proceeding, he remains, with much respect,

TO THE PUBLIC.

THE subscriber most respectfully informs the public that he has made arrangements with Dr. Thos. H. Whaland to carry on his

MILL

near Chestertown, for the present year.

His long experience in the business and his reputation as a Miller warrants him in the belief that he can give universal satisfaction.—As soon as practicable he intends to keep on hand a good supply of

CORN MEAL,
WHEAT FLOUR of all Grades,
HORSE FEED, &c., &c.,

which he is determined to sell at reduced prices.

He only wants to make the regular toll, and will be compelled to sell for Cash only as his capital is small and he does not intend to keep books.

He will use all means to make the Mill a public convenience as well as a source of profit. A trial is all he asks.

Most respectfully,
SAMUEL A. ANTHONY.
