STATE OF MARYLAND,
Executive Department.

PROCLAMATION.

WHEREAS, The Constitution of the State of Maryland, by Article 14, Section 1, directs amendments to the Constitution to be made as follows:

"The General Assembly may propose amendments to the Constitution, provided that each amendment shall be embraced in a separate bill, embodying the Article or Section, as the same will stand when amended and passed by three-fifths of all the members elected to each of the two Houses, by yeas and nays, to be entered on the Journals, with the proposed amendment. The bill or bills, proposing the amendment or amendments, shall be published by order of the Governor, in at least two newspapers, in each county, where so many may be published, and where not more than one may be published, then in that newspaper, and in three newspapers published in the City of Baltimore, one of which shall be in the German language, once a week, for at least three months, preceding the next ensuing general election, at which the said proposed amendment shall be submitted, in a form to be prescribed by the General Assembly, to the qualified voters of the State, for adoption or rejection. The votes cast for or against said proposed amendment or amendments, severally, shall be returned to the Governor, in the manner prescribed in other cases, and if it shall appear to the Governor that a majority of the votes cast at said election on said amendment or amendments, severally, were cast in favor thereof, the Governor shall, by his proclamation, declare the said amendment or amendments, having received said majority of votes, to have been adopted by the people of Maryland, as part of the Constitution thereof, and, thenceforth, said amendment or amendments shall be part of the said Constitution. When two or more amendments shall be submitted, in manner aforesaid, to the voters of this State, at the same election, they shall be so submitted, as that each amendment shall be voted on separately."

AND, WHEREAS, An Act of the General Assembly, at Jan. Session, 1874, Chapter 264, was passed, for amending the Constitution of the State, as follows:

"*An Act to amend Section 8, of Article 4, of the Constitution of the State of Maryland.*"

"SECTION 1. *Be it enacted by the General Assembly of Maryland, three fifths of all the members of the two Houses concurring*, That the following section be and the same is hereby proposed, as an amendment to the Constitution of this State, and if adopted by the legal and qualified voters thereof, as provided, it may be the same to supercede and stand in the place of Section 8, of Article 4, of said Constitution."

"SECTION 8. The parties to any cause may submit the same to the court for determination without the aid of a jury, and in all suits or actions at law, issued from the Orphans' Court, or from any court, sitting in equity, and all cases of presentments or indictments for offences, which are or may be punishable by death, pending in any of the courts of law, in this State, having jurisdiction thereof, upon suggestion, in writing, under oath, of either of the parties to said proceedings, that such party cannot have a fair and impartial trial in the court in which the same may be pending, the said court shall order and direct the record of proceedings in such suit or action, issue, presentment or indictment, to be transmitted to some other court, having jurisdiction in such case, for trial; but, in all other cases of presentment and indictment, pending in any of the courts of law in this State, having jurisdiction thereof, in addition to the suggestion, in writing, of either of the parties to such presentment or indictment, that such party cannot have a fair and impartial trial in the court in which the same may be pending, it shall be necessary for the party making such suggestion, to make it satisfactorily appear to the court that such suggestion is true, or that there is reasonable ground for the same; and thereupon, the said court shall order and direct the record of proceedings, in such presentment or indictment, to be transmitted to some other court having jurisdiction for such cases for trial, and such right of removal shall exist upon suggestion, in cases when all the judges of said court may be disqualified, under the provisions of this Constitution, to sit in any such case, and said court, to which the record of proceedings in such suit or action, issue, presentment or indictment may be transmitted, shall hear and determine the same in like manner, as if such suit or action, issue, presentment or indictment, had been originally instituted therein, and the General Assembly shall make such modification of existing law as may be necessary to regulate and give force to this provision."

"SECTION 2. *And be it further enacted by the authority aforesaid*, That said foregoing section hereby proposed as an amendment to the Constitution, shall be, at the next general election to be held in this State, submitted to the legal and qualified voters thereof, for their adoption or rejection, in pursuance of the directions contained in Article 14, of the Constitution of this State, and at the said general election, the vote on said proposed amendment to the Constitution shall be by ballot, and upon each ballot there shall be written or printed these words "For the Constitutional Amendment," or "Against the Constitutional Amendment," as the voter shall elect, and immediately after said election, due returns shall be made to the Governor of the vote for and against said proposed amendment, as directed by the said 14th Article of the Constitution."

NOW, THEREFORE, I, JAMES BLACK GROOME, Governor of the State of Maryland, in compliance with the requirements of the provisions of the Constitution, do order and direct the foregoing proposed amendment to the Constitution of the State of Maryland, to be published in two newspapers in each county, where so many may be published, and where not more than one may be published, then in that newspaper, and in three newspapers published in the City of Baltimore, one of which shall be in the German language, once a week, for at least three months, preceding the next general election, to be held in November next, the said newspapers to be by me designated.

WHEAT SEEDING!

WHANN'S
Raw Bone Super Phosphate

MANUFACTURED BY

WALTON, WHANN & CO.,

WILMINGTON, DEL.

In the culture of Wheat, true economy implies the use of such manures as produce the greatest yield, and at the same time leaves the land in the best condition for grass.

Whann's Raw Bone Super Phosphate

is extensively used on this important crop for the reason that it fulfills these conditions.—The grass often paying for the fertilizer, leaving the increased yield of wheat clean profit. No fertilizer has ever excelled it. Combining the active qualities of the best Peruvian Guano with the most lasting properties of dissolved bone, it is unexcelled as a manure for wheat.

Those farmers who have used

WHANN'S RAW BONE

Super Phosphate

need no reminder as to its worth. Their continued use of it year after year is the strongest argument which can be brought to prove its merits.

Farmers who have not yet used this renowned fertilizer are earnestly requested to

TRY IT!

Its mechanical condition is excellent, especially fitting it for use with the Drill.
