Toulson's Drug Store

DOCTORS MISTAKES

Are said often to be buried six feet under ground. But many times women call on their family physicians, suffering, as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous prostration, another with pain here and there, and in this way they present alike to themselves and their easy-going or overbusy doctor, separate diseases, for which he, assuming them to be such, prescribes his pills and potions. In reality, they are all only *symptoms* caused by some uterine disease. The physician, ignorant of the *cause* of suffering, keeps up his treatment until large bills are made. The suffering patient gets no better in reason of the wrong treatment, but probably worse. A proper medicine like Dr. Pierce's Favorite Prescription, *directed to the cause* would have entirely removed the disease, thereby dispelling all those distressing symptoms, and instituting comfort instead of prolonged misery. It has been well said, that "a disease known is half cured."

Dr. Pierce's Favorite Prescription is a scientific medicine, carefully devised by an experienced and skillful physician, and adapted to woman's delicate system. It is made of native American medicinal roots and is perfectly harmless in its effects *in any condition of the female system.*

As a powerful invigorating tonic "Favorite Prescription" imparts strength to the whole system and to the organs distinctly feminine in particular. For overworked, "worn-out," run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," house-keepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequaled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nervine "Favorite Prescription" is unequaled and is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, St. Vitus's dance, and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the uterus. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Pleasant Pellets invigorate the stomach, liver and bowels. One to three a dose. Easy to take as candy.

The Democratic Primaries

In accordance with the provisions of the State Primary Election Law, of 1908, Chapter 737, and the action of the Democratic State Central Committee, the Democratic voters of Kent county will meet in their respective Disstricts and Precincts, on

SATURDAY, JUNE 12, 1909

between the hours of 2 and 6 o'clock as follows

At Millington, for the First Precinct of the First Election District.

At Galena, for the Second Precinct of the First Election District.

At Kennedyville, for the First Precinct of the Second Election District.

At Kennedyville, for the Second Precinct of the Second Election District.

At Worton, for the First Precinct of the Third Election District.

At Betterton, for the Second Precinct of the Third Election District.

At Chestertown, for the First Precinct of the Fourth Election District.

At Chestertown, for the Second Precinct of the Fourth Election District.

At Rock Hall, for the First Precinct of the Fifth Election Disrict.

At Edesville, for the Second Precinct of the Fifth Election District.

At Fairlee, for the Sixth Election District.

At Pomona, for the Seventh Election District.

For the purpose of nominating Democratic candidates for the following offices:

One candidate for Clerk of the Circuit Court.
One candidate for Register of Wills.
Two candidates for House of Delegates.
Two candidates for County Commissioners.
One candidate for County Treasurer.
One candidate for Sheriff.
One candidate for County Surveyor.

Seven candidates to represent Kent county in State Convention to be held in the city of Baltimore on the 11th day of August, 1909, for the purpose of nominating a candidate for Comptroller of the Treasury.

The nominations of all candidates, including the candidates for County Commissioners, and also including the candidates to represent Kent county in State Convention, shall be determined by the direct vote of the members of the Democratic party, a plurality of voters to determine who shall be the candidates of the Democratic party.

All candidates must file with the State Central Committee at least fifteen days prior to the 12th day of June, 1909, a certificate stating his name, residence and age, and the office or convention for which he seeks to be nominated, and five days thereafter he shall pay to the State Central Committee the sum estimated by the Committee as his fair proportionate part necessary to pay the expenses.

The Judges of the primaries will be furnished with directions and instructions by Murray Vandiver, Chairman of the State Central Committee, explaining their duties and the qualifications of voters.

LEWIN W. WICKES,
JAMES W. IVENS,
JOHN C. REDMILE,
Democratic State Central Committee of Kent county. m15-tf

TOLCHESTER OPENS.

Bay Resort Spick and Span With Paint And Lights.

It is certainly due Tolochester and those officially connected with it to say that it never looked better in its 30-odd years than it does this season, which opened Saturday. The largest single improvement since the beach was made a public resort has been built during the winter. It is known as the excursion pavilion and has been constructed with the idea of being a comfortable resting place for those who go to the beach for a boat ride and the fresh air which can had from its high and spacious porches.

Capt. William C. Eliason, president of the company was warmly congratulated

"LAKE NOLAND," TOLCHESTER BEACH, MD.

for his enterprise in erecting such a handsome structure. Standing as it does at the main landing and overlooking the broad bay, it is three stories high, with spacious towers on each side that rise an additional story, offering a fine view of the bay. The interior is finished in hardwood, while the ceilings are of pressed steel. There are benches, wicker rockers and chairs in various colors on avery floor and porch, and plenty of them.

The first floor is devoted to a dairy lunch, with a marble top counter and mahogany sideboard, where light lunches, candies and sodas can be had. A feature of the first floor is the wide stairway leading to the second floor and also out to the main grounds. The entire building is well lighted with electric lights and will shine out as a beacon across the bay,

Mr. Alfred Cookman Leach, the architect, was present and after giving it a thorough inspection came in for congratulations, as did the contractor and builder, W. S. & A. M. Culp, of Chestertown. This improvement alone cost $10,000.

The company has also installed an electric light plant and will have all the buildings and grounds brilliantly illuminated on the days when three trips are made and excursionists stay until dark.

There were about 2,000 persons at the beach, including the representatives of the various organizations which have booked excursions for the coming season. The amusements were patronized liberally and were all in good working order. The "tickler," with its rough-and-tumble ascent, was one of the most popular. Of course, the good old ship Louise has been overhauled and painted and never seems to get old. The Fifth Regiment Band plays for the dancers on the boat and at the beach.

Capt. Eliason had a few invited guests at supper at the hotel.

CASTORIA

WHEAT ON THE JUMP

Told You So, Says Patten—Chuckling In His Camp As Prediction Comes True — Bad Report From Winter Wheat States.

Chicago, May 24.—In a frenzy of excitement, such as has rarely been seen on the Chicago Board of Trade, the price of wheat shot up by leaps and bounds today to $1.34¼, and there was much quiet chuckling in the Patten camp over the further fulfillment of a prediction a month ago, when James A. Patten got out of the market as an active factor.

All records for high marks for May wheat have been surpassed since the days when "Joe" Leiter essayed his corner and failed. Members of the Board of Trade went upon the floor with a pretty general premonition that something was going to happen. Few of them were prepared, however, for the actualities.

When the results were summed up it was found that May oats had sold at the highest price ever recorded on the board, and that every option for every grain, with the exception of September and December corn, had mounted to new high marks for the year.

Patten and his associates, so far as could be observed, did not contribute directly to the advance. On the other hand, they were selling steadily from the start. When the session was over Patten, the recognized spokesman of his firm, said:

"Conditions make crops and crops make markets. It is idle for me to restate my position on the wheat market, but I still believe that domestic consumption has narrowed, if it has not already wiped out, the margin between it and production. I repeat my opinion that the Government report on available supplies in this country shot considerably above the mark. I leave it to the daily observation of the market, the current movement of wheat and the general outlook and future developments to vindicate my position. We either have the wheat or we haven't it. If we have it, where is it, and why is it not coming forward? And the price would seem to be a compelling motive for its uncovering."

BASE BALL NEWS.

The Westchester Normal team came to town Saturday and were defeated by Washington College; score 6 to 2.

The "Railroad Spikes" and the W. C. second team will do battle on Washington field Saturday afternoon.

Bloomington and Decatur, of the "Three I League," broke the world's professional record for long baseball games between league teams Monday, playing 26 innings. Decatur won, 2 to 1. The actual playing time was 4 hours and 20 minutes. Bloomington scored its one run in the first inning, while Decatur scored one in the third and one in the twenty-sixth. The longest game on record was played on July 6, 1907, at Columbus, Ohio, between the Heintz Victors and the Columbus Selects. It went 36 innings and resulted in a tie. The longest major league game on record was played on September 1, 1906, when the Athletics defeated Boston 4 to 1 in a 24-inning contest.

A fine game of ball was witnessed on the diamond at Rock Hall last Saturday between the "Spikes" of Chestertown and the oystermen of the Bay Side city. It was full of ginger and excitement, with the "Spikes" leading up to the eighth by a score of 4 to 1. Rock Hall tied the score in the eighth, and then added the winning run in the ninth, the score being 5 to 4 in favor of Rock Hall. The Rock Hall team beat the Worton team 10 to 13 same day.

The little Orioles of Rock Hall crossed bats with the East Neck Island Stars and defeated them by a score of 15 to 18 on last Saturday.

The Kennedyville third baseball team played two games last Saturday, defeating Lynch's first team by the score of 2 to 2, and then going to Still Pond and defeating them by the score of 16 to 13 in a ten-inning game; Webb and Atwell were their battery against Lynch's, and Shallcross and Archibald against Still Pond. They expect to play Cecilton this Saturday at Cecilton.

Oyster Survey to Begin at Queenstown.

The houseboat "Oyster," belonging to the Maryland Shellfish Commission, is now anchored at Cliffs wharf, on the Kent county side of Chester river, and Engineer Swepson Earle on Thursday met Charles W. Hopkins, of Kent Island, who has been appointed by the county commissioners as the local man to assist in the oyster survey for Queen Anne's county, and they went to Kent county to confer with the local man of that county. Mr. Earle stated Thursday that the survey of the waters of Queen Anne's county would begin next week. Starting at Queenstown they will work in the Chester river towards Chestertown consequently, it will be necessary for the local men of both Kent and Queen Anne's to be on hand, as both sides of the river will be worked at the same time by what is known as the block system. The Corsica river and other waters in Queen Anne's will also be surveyed at this time, after which the houseboat will be moved to Love Point.

Many of our citizens are drifting towards Bright's disease by neglecting symptoms of kidney and bladder trouble which Foley's Kidney Remedy will quickly cure. Sold by all druggists.
