The Steamer has undergone a thorough repair and remodeling, making her more suitable for the Peach Trade in giving air to the fruit and the prevention of heating by steam that fruit is generally exposed to.
All fruit guaranteed to be delivered to the consignee, and special attention given to the sale of small lots.
Care taken in receiving, handling and delivering of empty boxes, thereby saving losses that so many experience.
All freight landed at Hughes' Quay, and sales reported daily.
☞Freight 8 cents per box. No charge for empty boxes, unless bought new.
The boat and fruit will be under my own supervision, and special attention given to all requests.

HAVING purchased my stock of boxes I am now prepared to take orders for the coming season, either in shooks or made up, and in quantities of 100, 1000 or by the vessel load, and will deliver at any of the wharves on Chester river from Crumpton down.

Parties wishing to purchase as they use will find my Factory at Chestertown well supplied with everything they want to ship fruit in, and in every form.
I have also erected a house at Quaker Neck wharf, that parties shipping from there may be better accommodated.

MALTBY HOUSE,
BALTIMORE.
APRIL 1st, 1879.
Recognizing the fact that the relationship existing between the counties of Maryland and the City of Baltimore is such that residents of the Counties have occasion to visit the city frequently during the year; in consideration of these facts and the liberal patronage extended the "Maltby" in the past, I deem it but a matter of justice that some discrimination should be made in their favor. I have therefore concluded to
Reduce Price of Board to $2 per Day
feeling confident that the same will be fully appreciated by them, and at same time merit and secure an increased share of their patronage. Assuring them that nothing will be left undone that can add to their comfort during their stay.
ROOMS, without board, 75 cts. and upward per day.

MANHOOD;
How LOST, How RESTORED.
Just published a new edition of Dr. Culverwell's Celebrated Essay on the radical cure (without medicine,) of Spermatorrhœa or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental & Physical Incapacity, Impediments to Marriage, etc.; also, Consumption, Epilepsy & Fits, induced by Self-indulgence or Sexual extravagance.
Price, in a sealed envelope, only six cts.
The celebrated author, in this admirable essay demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain & effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

Copy of Original Testimonials.
Baltimore, Jan. 31, 1879.
Mr. J. S. Knapp—Sir: I have made a thorought est of the London Food and recommend it to the public as a good Improvement Food for Horses. I will use it in preference to any condition powders I know of. [They have 300 horses.]
Respectfully, R. PRICE,
Sup't Citizens Line Street R. R.

Carrollton, Carroll Co., Md., Feb. 11, 1879.
John S. Knapp—Sir: Having used the London Horse and Cattle Food on both my horses and cows, I cheerfully recommend it to the public as a good condition food for the horse and a profitable condiment for cattle, as it will cause cows to give more milk and make at least 25 per cent. more butter than any condition powders I ever used. Hoping this will induce my friends to try it, after which I am convinced they will bear the same testimony as to its merits as I do.
Yours, respectfully,
mh8-tf. JACOB M. HOFF.
