THE CELEBRATED

CLOTHING

MANUFACTURED BY

A. C. YATES & CO.

Is what you want, for THREE REASONS:

The MATERIAL is the BEST,
The FIT and STYLE are PERFECT,
The PRICES are THE LOWEST.

Ledger Building, Chestnut and Sixth,
MONEY REFUNDED. PHILADELPHIA.

To WHEAT GROWERS.

The undersigned, *PIONEER* in the manufacture of FERTILIZERS, in this city and *ORIGINATOR* in 1858 of the formulas and processes of manufacture of

"EXCELSIOR" and Ammoniated Phosphate

So well and favorably known by the agricultural public, relying upon his experience and personal reputation hitherto acquired in the uniform excellence of these Fertilizers, as manufactured by him, continues to offer them to the Farmers and Planters of Maryland and Virginia, with the assurance that the *High Standard Quality* of each will be maintained as heretofore.

The above are the most concentrated *FERTILIZERS* ever offered to the Farmer, combining all the stimulating qualities of Peruvian Guano and the ever durable fertilizing properties of Bones in fine, dry powder, prepared expressly for drilling.

For growing Wheat, it is the universal opinion of the farmers of Maryland and Virginia, after over twenty years' experience in the use of these Fertilizers manufactured by me, that an application of 100 pounds is equal in its effects to 200 lbs. of any other Fertilizer or Guano, therefore fully 50 per cent. cheaper.

With my present advantages and superior facilities for manufacturing, I challenge competition with any Fertilizer sold in the United States, in quality, mechanical condition and price.

By strictly adhering to my original formulas, using only the most concentrated materials and superintending in person their manufacture, as for the past 23 years

Uniform Quality is Guaranteed.

☞Farmers, to secure the ONLY GENUINE *EXCELSIOR* and *PHOSPHATE* prepared according to my original formulas established in 1858, should see that every bag is branded as above, with the ANALYSIS and MY NAME IN RED LETTERS.

T. W. WICKES,

AGENT FOR

Maryland Co.'s Phosphates.

THE MARYLAND

Fertilizing and Manufacturing Company

ARE PREPARED TO FURNISH THE FOLLOWING WELL-KNOWN BRANDS OF FERTILIZERS:

Alkaline Super-Phosphate

—AND—

LINDEN PHOSPHATE.

The ALKALINE and LINDEN PHOSPHATES have special reference to the growth and development of the Grain, and are intended for lands that produce a sufficient growth of Straw, but small crops of Grain. They have been used for several years, by some of the best farmers of Maryland and Virginia, alongside the highest grades of Ammoniated Phosphates, and in some sections have almost superseded them.

The Fine Mechanical condition of our FERTILIZERS is such that they Drill readily, and we recommend the use of the Drill as being the most profitable way of applying Fertilizers.

The steadily increasing demand for above goods in the neighborhoods where it has been used, attests its success as an unexcelled Wheat Fertilizer.

One evidence of the value of our Fertilizers is that all the parties named below who used our goods last year, have increased their orders for this year. These names are genuine, and we refer farmers to the parties themselves:

Capt. E. B. Woodall,	E. F. C. Perkins,	Richard Smyth,
Charles England,	S. J. Roseberry,	T. J. Vickers,
T. F. Hurlock,	W. O. Shallcross,	J. W. Howard,
E. S. Clothier,	Robert Kimble,	J. T. Kelley,
J. T. Dixon,	F. Rash,	F. D. Lamb,
Wm. H. Whitely,	G. W. Jones,	Amos Lynch.

Many others too numerous to mention.

☞All orders should be left at once with

THOMAS W. WICKES,

Sole Agent for Kent County,
CHESTERTOWN, MD.

Aug. 20, 1881—3m.

☞Notice to Farmers!

HUBBARD'S

Standard Bone Super-Phosphate.

A Leading Fertilizer for all Crops.

Manufactured of Pure Dissolved Bones, Nitrogen, Potash, and Peruvian Guano

Rendering it one of the most concentrated and valuable manures ever sold on the market.

☞WE ARE THE FIRST manufacturers of Super-Phosphate on the Eastern Shore of Maryland, thereby being an old and established firm. We greatly thank our many friends and patrons for their past valued favors, and we hope by strict care and attention to business to merit a continuance of same. It is not surprising that our goods have been so noted, as well for their superior condition for drilling as for general excellence; as every ton is made in the self-same way by the best machinery in use, to the *inspection of which all Farmers and the public generally are most cordially invited.*

We have for sale at our works of our own manufacture, PURE BONE MEAL, Pure GROUND RAW BONES,

Pure Dissolved Animal BONE. Also, Dissolved South Carolina PHOSPHATE. KAINIT AND FERTILIZING SUPPLIES.
