Great Gains in Equal Suffrage

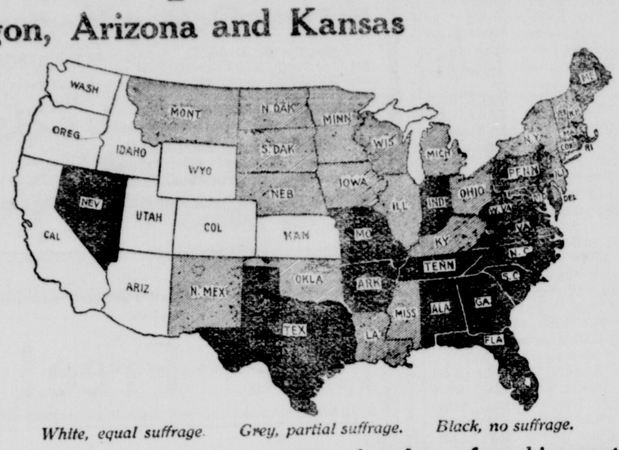
STATES—Oregon, Arizona and Kansas

CONVENTIONS which have endorsed equal suffrage---National, Progressive, Prohibition and Socialist Parties.

New York - -	all parties
Pennsylvania - -	" "
Massachusetts -	" "
Connecticut - -	Democratic
New Jersey - -	Republican
Iowa - - -	Republican
Nebraska - -	Republican
Nevada - -	Democratic

GOVERNORS who have recommended equal suffrage:

New York, Pennsylvania, Connecticut, Iowa, Montana, Michigan, Nevada, Indiana and West Virginia.



White, equal suffrage. Grey, partial suffrage. Black, no suffrage.

LEGISLATURES that have passed constitutional amendments providing for the enfranchisement of women:

Michigan, Montana, South Dakota, Nevada, North Dakota, Amendments passed by one session awaiting action by second, New York, New Jersey and Iowa.

THE CASE FOR WOMAN'S SUFFRAGE IS BASED ON CHANGED CONDITIONS

100 YEARS AGO

Government was principally concerned with war and the protection of property; comparatively few women were wage earners; married women had no property rights; education was denied to girls.

TODAY

Government concerns itself with the special interests and environment of home and children, and with all the social and industrial problems of life. 96,000 Maryland women are wage earners, the law recognizes women as property owners, the average woman is as well educated as the average man.

Women need the Vote because Votes alone decide all questions connected with government.

VOTERS OF MARYLAND!

It is un-American and un-democratic to refuse what a majority of the People demand and it is un-American and un-democratic to withhold from the People the *opportunity* to make such a decision therefore;

We want the Democratic and Republican parties to endorse, at their conventions, the submission of a constitutional amendment providing for the enfranchisement of women.

SUFFRAGISTS OF MARYLAND---We Need Your Help

1. Volunteer to secure 100 voters' signatures to our petition asking for the submission of equal suffrage to the voters for decision. Send your name to the Just Government League, 817 N. Charles St., Baltimore, and we will send you petition blanks.
2. Come to Baltimore and march in the Suffrage Parade starting from Washington Monument, 5 P. M., Rain or Shine, Saturday afternoon, May 31st, 1913.

Death our dearest ties can sever,
Take our loved ones from our side;
Bear them from homes forever,
O'er the dark cold river's tide.

In that happy land we'll meet them,
With those loved and gone before;
And again with joy we'll greet them,
There where parting is no more.

This is an opportunity for the oystermen and citizens of Kent county. Those people who are interested in this culture should at once file their application for the amount of land they desire. Maps showing the barren bottoms with sufficient data from which to make an application are filed in the Clerk's office in the various counties. The application should be accompanied with a fee of $5 00, which with the small cost of surveying the lots and the rental, is all that it will cost to take up ground for oyster culture.

Spring Millinery Ready For You

THE burning question of the moment is: Where shall I get my New Hat? The question is a burning one because Easter is almost upon us. The place to purchase is important in that both you and we are vitally interested. We have tried our best to do our part by giving the Millinery Parlors the most prominent part of our store and by placing therein for your convenience and selection the best and largest display of fine Millinery ever attempted to be shown in Chestertown. New York, Philadelphia and Baltimore's best houses have contributed to this gorgeous array. Will you not visit us and test these statements?

Humidor Linens

SOME people go so far as to judge the general tone of a housewife's tastes by the kind of Linens she uses in the home. If you wish to have splendid judgment passed upon you use HUMIDOR LINEN, Strawbridge & Clothier's Brand and sold exclusively at this store. When the stamp "Humidor Linen" appears you will know it is pure linen, whether it be Table Linen, Napkins, Towels, Toweling, Crashes or any kind of Dress Linen. Exclusive patterns—guaranteed wear.

Shoes That Are In Demand

THE J. & K. Shoes are making friends all the while, and "There's a Reason.'

Ask some of their wearers about them; or, better still, come in and get fitted with a pair. Then you will be sure to get the second pair. The J. & K. is a style leader, and every style is made to fit the foot, which invariably means comfort.

Above all others, the tan high shoes are in demand this month.
