Our Spring Models Defy Fifth Avenue and London

We have customers who have paid top prices to custom tailors, and these are the very customers who now wait for our selection of ADLER-ROCHESTER MODELS.

The reason is simple. In the first place, it is not the price that makes clothes becoming.

In the next place the great firm who makes these clothes employs higher priced designers and style experts than a tailor could dream of employing.

Adler-Rochester Clothes

This name has stood for the best in clothes, for tailoring supremacy for half a century.

It is conceded that ADLER-ROCHESTER MODELS set and lead the styles, and we have yet to see a customer of ours wear an ADLER-ROCHESTER SUIT and be dissatisfied.

Besides leading in styles and finish, this great firm stands with us behind each garment that we sell, and this assures you absolute clothes satisfaction.

Drop in and let us show you some of these New Spring Models and tell you what ADLER-ROCHESTER clothes service is
