SAMUEL HICKS, CLERK.

WE ARE trying to give to the tax-payers in this block a simple explanation of the difference between the Cash Levy and the Certificate Levy, also we are giving you a comparative statement of the indebtedness of the county when the levy was struck in 1910, and what it is to-day in 1913. Further, we compare the interest paid out on that debt then and now.

The Cash Levy is to pay cash for the various items as allowed in it; for instance, we strike the levy the first week in June. All allowed in that Cash Levy is paid in cash, or rather, an order on the Treasurer, which is the same. This comes from the taxes he is collecting.

This is not the case with the Certificate Levy, which is nothing more or less than an interest-bearing note for such things as are not allowed in the Cash Levy. The Certificate Levy, as you see published, is for certificates issued from June the 10th, 1912, to the time of striking the levy on June the 6th, 1913, and are not paid until January the 1st, 1914.

Suppose, at the first meeting of this board, which will be June the 10th, there should be a bill presented for $100, there would be added to this bill interest to the amount of $9.32, for it would not be due until January the 1st, 1915, and be provided for at the time of striking the levy in June, 1914, it at that time being a part of the county's indebtedness.

If the above-mentioned bill had been in the Cash Levy there would be no interest.

Bonded debt of Kent County at time of striking the levy in 1910	$25,000.00
Certificate debt of Kent County at time of striking the levy in 1910	85,757.21
Total debt of Kent County in 1910	$110,757.21
Bonded debt of Kent County at time of striking levy in 1913	$20,000.00
Certificate debt of Kent County at time of striking the levy in 1913	12,202.51
Total debt of Kent County in 1913	$32,202.51
Total debt of Kent County in 1910	$110,757.21
" " " " " 1913	32,202.51
Decrease in debt of Kent County in 3 years	$78,554.70
Interest paid on Certificates issued by Kent County in levy of 1910	$4,328.75
Interest paid on Certificates issued by Kent County in levy of 1913	590.26
Decrease of interest in comparative years	$3,737.49

Statement of Expenses of Kent County

To be provided for by Levy of 1913, and to be paid by the County Treasurer in pursuance of Section 2 of Article 25 of the Code of Public General Laws.
