BICHLORIDE DOSE FATAL.

Bradley Kerr, 27 years old, the son of Capt. Charles R Kerr, an officer of the steamer Tred Avon, of the Baltimore, Chesapeake and Atlantic Railway, and brother of Edward F. Kerr, lieutenant pilot of the fireboat Deluge, died at Lebanon Hospital in New York Saturday night.

At the hospital the young man had given his address as 109 South Broadway but he had not been at that address, which is a boarding house, for about five years. He hailed from Rock Hall, where besides his parents and his brother, Edward F. Kerr, he is survived by two other brothers, Charles St. G. Kerr and Maurice Kerr, and three sisters, Mrs. George Lee, Mrs. Charles Porter and Miss Nannie Kerr. His father was with him when he died.

COLD WINTER COMING

It's going to be a hard winter. The cold of the last few mornings is only a prelude to what we are going to get, and we are going to get it soon. This is no idle talk of the weather bureau or presiflage of the almanac. It is hard cold facts.

Bill Snyder, headkeeper of the menagerie in Central Park, New York, is authority for the statement. The squirrels told him so. Bill looks always to the gray squirrels for his forcasting of the weather.

The gray squirrels, he says, have begun to build their nests, and this means the near approach of cold winter. The grays began their nest-building four weeks ahead of schedule time, compared with last year.

Eggs At $1 A Dozen.—A dispatch from Philadelphia, Sept. 21, says, jobbers in eggs today declared that the price of eggs in Philadelphia will advance to $1 a dozen at least if Dairy and Food Commissioner Foust carries into effect his threat to seize all eggs now in cold storage and declare them unfit for use. Under a recent law enacted by the legislature eggs cannot remain in storage more than eight months. This ruling makes all eggs placed in storage prior to last May unfit for use after January. There are 4,500,000 eggs in storage in Philadelphia that have been in storage since May or before. Commissioner Foust declares they must come out of storage now or he will seize them when the time limit expires.

Retired Georgia Planter's Advice to Kidney Sufferers

Regarding the wonderful curative merits of your Swamp-Root, I cannot say too much. After suffering severely for three years or more with severe pains caused by weak kidneys, I was finally induced to try Swamp Root through a testimonial I read in one of the newspapers. I was in such a condition that I was obliged to arise from my bed six or eight times every night. I purchased a fifty-cent bottle and before it was used I felt so much relief that I purchased a one-dollar bottle and by the time this was taken the old pains had left my back and I could sleep the whole night through. I am a retired planter, 70 years of age, and owing to Dr. Kilmer's Swamp-Root, I am in the best of health and feel like a boy. I am always glad to recommend Swamp-Root to those who are in need of it. Sincerely yours,

C. E. USSERY,
Bowersville, Ga.

Personally appeared before me, this 8th of September, 1909, C. E. Ussery, who subscribed the above statement and made oath that the same is true in substance and in fact.

T. H. McLANE,
Notary Public.

Face-to-Face Courtesy

Good telephone service depends upon mutual courtesy. The telephone is more useful to those who talk as though face to face, for civility removes difficulties, and facilitates the promptest possible connections.

The operators must be patient and polite under all circumstances, but they will do better work if they meet patience and politeness on the part of telephone users.
