BAKER'S FAMILY VEGETABLE PILLS,

For the cure of Sick Headache, Derangement of the System, Dyspepsia, Ague, Bilious. &c. &c.

It is well known that a few general principles conduct the whole nourishment of the body: then, why not the cure of its diseases.

Dr. Rush says, "Disease consists in morbid excitement, and the cure of diseases consists in restoring the equal diffusion of excitement over the whole body." That is by removing obstructions.

This medicine has never failed, when used according to directions, to produce a healthy action, and restore vigor and tone to the system.

Read the following certificates recently received by the proprietor, proving the superiority of this purely vegetable compound.

N. B. To induce persons to give this medicine a fair trial, agents are authorised to refund the money to any one that has used half a box of it, according to directions, without benefit, on returning the remaining half box and writing his or her name on the label.

PRICE—25 cents per box. Each box contains 50 pills.

CERTIFICATES.

Mr Wm. Baker:

Dear Sir: I have used several boxes of your pills in my family, and I think with much benefit. I am not much of a pill man myself, but being somewhat dyspeptic, I am compelled occasionally to resort to purgatives, and I thought I would try your pills. I did so, and I feel no hesitation in saying that I derive as much benefit from them as from any medicine I have ever taken.

Yours. (Signed) WM. HAYNE.
Still Pond, 24th February, 1845.

I have used Baker's Vegetable Pills for soreness in the breast and pain in the side; one dose produced immediate relief. I have sold them to others for Ague and Fever, which disease they completely stop. I consider them an invaluable medicine.

I. ROGERS.
Belle Air, Kent Co. Md. March 22d, 1845.
(Extract.)

I believe Baker's Veg. Pills to be superior to any now used as a family medicine. I have taken them and found them easy in operation, producing little or no sickness at the stomach. They always relieve my wife of sick head ache. They have benefitted my little son, in ague, more than any other medicine he ever took.

WM. H. GODWIN.
Shaw's Mill, Kent Co. Md.

Mr. Wm. Baker Dr. Sir:

I got a box of your Pills and used them in my family, taking several doses of them myself; and I feel satisfied from the trial I gave them that they are a good pill. I prefer them to any I have ever taken. Be so good as to forward me another box, and oblige,

Yours, respectfully,
HENRY E. BRADLEY.
Still Pond, Feb. 14th, 1845.

I have used Baker's Family Vegetable Pills myself, and have given them to all my family. I have found them in every case an agreable and gentle purge; always answering the purpose for which they were taken. When taking them, we make no change in our die. They are decidedly the best cathartic I have ever tried. Until I meet with better, I shall in all cases give them the preference.

The most of our GOODS, were purchased in New York, by one of the most judicious and business men of Baltimore, the balance in Baltimore by one of the firm, who has an extensive knowledge of the business of that city which gives us a decided advantage over any other mercantile house, and with the light expense which we are at in comparison with the high rents of the city we are prepared to furnish goods as low as any establishment in the State. We believe, when the people are convinced that they can buy goods as cheap here as any where else, they will do it, and with this belief we have established our House for the purpose of giving them goods at fair rates. INSURANCE.

THE UNDERSIGNED, at the solicitation of several persons in Chester Town, and of the Directors of the Franklin Fire Insurance Company of Philadelphia, has consented to act as agent for the said Company, in Kent county. A letter of Attorney, duly executed and attested by the seal of the corporation has been filed and recorded in the Clerk's Office of Kent county.

NEW INSURANCES, will be made and OLD POLICIES, renewed, upon very moderate terms.

Probably no Fire Insurance Company in the Union, has a higher reputation than the Franklin—or in its operations has been more successful. The capital of the Company is represented to be, $400,000 paid in, besides which they have $450,000 growing out of deposits on perpetual premiums, on temporary, insurances, and a contingent fund. The latter is upwards of $100,000 independent of any claims.—The investments of money by the company to meet any liabilities, they may incur, are chiefly in bonds, mortgages and real estate.

It would seem to be the dictate of prudence, in every one owning Houses or personal property, of a nature, liable to be destroyed by Fire, to provide some security against loss. By the payment of a very small sum of money, three fourths of the value of all property destroyed or impaired by fire may be realized in a few days.—Considering the number of Fires with which Chester Town, and indeed our county has been visited, we were not surprised at receiving from the Office, a list embracing so considerable a number of Policies, which were about to expire.

Insurance can be effected for one year on any building or property.

For seven years if requested on Frame buildings at a less price than annual insurances for the same period.

Perpetual Insurances on Brick or Stone buildings will be made at a premium of 3½ to 4 per cent., and the premium returned if requested, at any time, by deducting 5 per cent.
