The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs or the kidneys themselves break down and waste away cell by cell.

Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's **Swamp-Root,** the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the *extraordinary effect of Swamp-Root is soon* realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one-dollar sized bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co. Binghamton, N. Y. When writing mention reading this generous offer in this paper.

CATCHING ROBINS.

They pick robins off trees in North Carolina. A young insurance inspector who has just returned from the South brings with him this queer story of this new kind of sport:

"I was in Ramsur, N. C., near Charlotte, on the Ashbury and Aberdeen railway," he said, "when one evening a young fellow about my own age asked me to go with him for a robin hunt.

"'That doesn't sound very exciting,' I replied. 'How do you hunt them?'

"'Why, you take a hack and a jug of corn whiskey and drive a little way out into the country and pick them off the trees.'

HELPS BUILD MANY CHURCHES.

Rev. John T. Riley, presiding elder of the Methodist Episcopal Church for the Oklahoma dtstrict, has been making his annual visit to Pittsburg, where he formerly preached. He took home with him a check from Col. James M. Guffey, Democratic National Committeeman, who for nine years has been helping build five churches each year in Oklahoma, besides sustaining a small congregation.

Mr. Riley said Colonel Guffey contributes $250 to each congregation. That sum purchases the flooring, shingles doors, windows and pulpit furniture. Those necessary parts having been secured the people supply the lumber and put the buildings valued at from $1000 to $1,500 each.

WOMEN'S NEGLECT

SUFFERING THE SURE PENALTY

Health Thus Lost Is Restored by Lydia E. Pinkham's Vegetable Compound.

How many women do you know who are perfectly well and strong? We hear every day the same story over and over again. "I do not feel well; I am so tired all the time!"

Miss Kate McDonald

More than likely you speak the same words yourself, and no doubt you feel far from well. The cause may be easily traced to some derangement of the female organs which manifests itself in depression of spirits, reluctance to go anywhere or do anything, backache, bearing-down pains, flatulency, nervousness, sleeplessness, leucorrhœa.

These symptoms are but warnings that there is danger ahead, and unless heeded a life of suffering or a serious operation is the inevitable result.

The never-failing remedy for all these symptoms is Lydia E. Pinkham's Vegetable Compound.

Miss Kate McDonald, of Woodbridge, N J., writes:

Dear Mrs. Pinkham:

"I think that a woman naturally dislikes to make her troubles known to the public, but restored health has meant so much to me that I cannot help from telling mine for the sake of other suffering women.

"For a long time I suffered untold agony with a uterine trouble and irregularities, which made me a physical wreck, and no one thought I would recover, but Lydia E. Pinkham's Vegetable Compound has entirely cured me, and made me well and strong, and I feel it my duty to tell other suffering women what a splendid medicine it is."

If you are ill, don't hesitate to get a bottle of Lydia E. Pinkham's Vegetable Compound at once, and write to Mrs Pinkham, Lynn, Mass., for special advice—it is free and always helpful.
