More Practical proofs of the extraordinary Virtue of Wordsell's Pills.

CURE OF FEVER AND AGUE.

Marsh Hope Bridge, Del. Sept. 20, 1844.

To Dr. WORDSELL, Sir:—The great amount of suffering produced by the Chills and Fever to thousands of my fellow creatures, induces me to make known the benefits I have derived by using your Vegetable Restorative Pills. During the past few years I have suffered much with the chills and fever, for which I have advised with physicians, and tried their prescriptionsand other medicines that were recommended, without experiencing the desired relief.—Three months ago I had another severe attack, and on hearing some of my neighbors praising your pills, who had proved their virtues, I was induced to make a trial. I perused your directions which accompanies each box of Pills, in hopes of finding something in relation to the chills and fever, but there being nothing wrote under that head, I felt reluctant to use them.—However, on making further inquiries, and being assured that the pills were safe and gentle in their effects, I concluded to try them; I commenced by taking eight pills on going to bed, which had the effect of stopping the chills and allaying the fever; I repeated the same dose on the four following evenings, which to my astonishment *effectually cured me.* It is now three months since I first used the Pills, and have had no chills or sickness of any kind; in fact I have, and continue to enjoy a better state of health than for many years past. My wife, also, has taken your Pills, and I have administered them to my children on several occasions with success. I can confidently recommend them as a family medicine, and an effectual remedy for the chills and fever.

I am, yours sincerely,
JOHN W. JEFFERSON.

READ THIS.

Billious Fever, Sick Headache, Rheumatism, Ague Fever, and the effects of a Cold, cured by Worsdell's Pills.

Dr. Worsdell,—Sir: Your vegetable Restorative Pills are gaining a reputation as being an excellent family medicine, and I have no doubt they will soon supercede all other medicine in this section of the country.

Mrs. Burns, who reside at Pudsey's Mills, near this place, had a very severe Bilious attack, and was cured by taking your Pills. She had for years been afflicted with sick Headache and Rheumatism, but since she commenced using Worsdell's Pills, she has been entirely free from those complaints.

A gentleman stated here a few weeks ago, that one of his children was taken with the Ague and Fever, and he administered Worsdell's Pills, which performed the cure sooner and more effectually than any other medicine he ever used.

About six months previous to my becoming an agent for your Pills, my wife visited her friends in Philadelphia; and during the journey she contracted a severe cold, which afflicted her so severely, that after her arrival she was unable to sit up. Her friends told her that they would soon relieve her. This induced her to try them, and she soon proved the truth of her friend's statement—in a few days she was well. She says she never before experienced such beneficial results from medicine in so short a time. Since that period she or I have used no other medicine.

Yours respectfully,
HENRY COBURN.

CLICKENER'S *SUGAR COATED VEGETABLE EXTRACT PILLS.*

A medicinal preparation is herein announced which has been long desired, and sought for, and which the public must at once see and acknowledge the advantage of. This a purgative pill, COATED WITH SUGAR, so that it leaves no taste whatever of its internal ingredients. In fact the medicine is so entirely disguised that if a person were to swallow the pills without being informed what they were, he would believe them to be simply lumps of pure sugar; nor could he afterwards, unless by its great purgative effect suspect that he had been taking medicine, for these pills are so skillfully prepared that they do not gripe the bowels; and thus the patient who takes them avoids two evils which attend all other purgative medicines; namely: nausea and pain. Medicine administered in all other sweet forms has the disadvantage of being *mixed* with the sugar, and hence produces a mingled flavor, which, to most persons is more disagreeable than unadulterated bitterness. In these pills this is altogether avoided; the sugar and the medicine being entirely distinct from each other, so that the former must be thoroughly removed before the latter can manifest itself to the taste. It is universally known that nearly all diseases originate with impurity of blood. Pure blood is therefore essential to health. We must not, however, *wait* until the blood is impure, for then it takes time—and that time passed in ill health—to rectify it; but when the slightest derangement of the system is indicated by costiveness, or any other sign, it admonishes us that superfluities are gathering in the system, which should at once be got rid of, for their removal leaves the chyle, (from which the blood is formed) in a healthy state, and purity of blood must be the result. This fact, as stated, is universally known; but people have such an aversion to medicine, that, unless the case is urgent, they prefer the disease to the cure, until an impaired constitution, or a fit of sickness rebukes them for the folly of their conduct. Still they had some excuse; for heretofore, medicine in almost all its forms, was nearly as disgusting as it was beneficial. Now, however, the evil is most effectually removed; for CLICKENER'S SUGAR COATED VEGETABLE EXTRACT PILLS have no taste whatever of medicine—produce none of the nausea and griping, attendant on the operation of other medicine—while their speedy effect in removing all impurities from the system cannot be excelled by any other medicine which has ever been discovered.

It is unnecessary to say more here. If these pills are, as described, the public will freely and gladly patronise them; and the proprietor merely asks a trial, which he is sure of receiving, to prove that he assumes no merit for them which they do not fully possess.

Clickener's Sugar-coated Vegetable Extract Pills are prepared and sold, wholesale and retail and for exportation, by C. V. CLICKENER & Co., Chemists, at the wholesale and retail drug warehouse, No. 79 and 81 Barclay street, New York. Price 25 cents.

CAUTION.

The public should remember that C. V. Clickenener is the inventor of the Sugar-Coated Pills, and that nothing of the sort was ever heard of until he introduced them. Therefore should any other person, seduced by the popularity of his discovery, advertise Sugar-Coated Pills, they must be a wretched counterfeit, which it would be dangerous to use, as none but the most ignorant quacks can be found dealing in such a nefarious traffic as palming off counterfeit for genuine medicines.

THE UNDERSIGNED

have used J. We recommend it to our brethren throughout the Union.

THE OPINION OF PHYSICIANS.

Detroit, Oct. 14, 1844.

Dear Sirs,—Please be so good as send me twenty of your large packages of Hoarhound Candy. I was a sceptic as to its value, as I saw its cures recorded in the public press, but I must in future say, that use has convinced me of my error; I have tried it, and must say that noting in a practice of twenty years has equalled it in the cure of croup and whooping cough, I am with great respect,

H. REDFIELD, M D

To Messrs J. Pease & Son.

Philadelphia, Feb'y 12, 1844.

Gents—I have recently used your Essence of Hoarhound Candy with great effect in cases of whooping cough, hoarseness, and your candy is easily taken by children; and I think I may safely say, that I never knew so valuable a medical compound under so pleasant a guise—it combines the healing, laxative, and tonic, in just proportions; and it is to be recollected, that the beauty of medicine consists in a propercombination.—I should think in all complaints of the lungs weakness of limbs, oppression, or other complaints, arising originally from a cold and chilled state of the system, your candy would be found as useful a specific as exists. I am, gentlemen, your most ob'nt serv't,

J C. DAVIS, M D

To Messrs J. Pease & Son.

Brooklyn, Dec'r 27, 1844.

Gents—I deem it but justice to you, however unprofessional the act may be considered, to apprise you that I have had for two months past a person under my charge labouring under the influence of consumption evidently produced by the effects of early intemperance.

When I had exhausted all professional remedies I yielded to the patient's desire to allow Pease's Hoarhound Candy to be used.—I must say that it was the only thing that saved his life. Justice requires this tribute to your discovery.

H. HUNTER, M D

Messrs J. Pease & Son, 45 Division st—

I was last winter painfully afflicted with a soreness of the chest, and also a hoarseness. I thought my voice was entirely gone, until relieved by your Clarified Essence of Hoarhound Candy.

TIN WARE, for sale at reduced prices by T. W. ELIASON

INSURANCE.

THE UNDERSIGNED, at the solicitation of several persons in Chester Town, and of the Directors of the Franklin Fire Insurance Company of Philadelphia, has consented to act as agent for the said Company, in Kent county. A letter of Attorney, duly executed and attested by the seal of the corporation has been filed and recorded in the Clerk's Office of Kent county.

NEW INSURANCES, will be made and OLD POLICIES, renewed, upon very moderate terms.

Probably no Fire Insurance Company in the Union, has a higher reputation than the Franklin—or in its operations has been more successful. The capital of the Company is represented to be, $400,000 paid in, besides which they have $450,000 growing out of deposits on perpetual premiums, on temporary, insurances, and a contingent fund. The latter is upwards of $100,000 independent of any claims.—The investments of money by the company to meet any liabilities, they may incur, are chiefly in bonds, mortgages and real estate.

It would seem to be the dictate of prudence, in every one owning Houses or personal property, of a nature, liable to be destroyed by Fire, to provide some security against loss. By the payment of a very small sum of money, three fourths of the value of all property destroyed or impaired by fire may be realized in a few days.—Considering the number of Fires with which Chester Town, and indeed our county has been visited, we were not surprised at receiving from the Office, a list embracing so considerable a number of Policies, which were about to expire.

Insurance can be effected for one year on any building or property.

For seven years if requested on Frame buildings at a less price than annual insurances for the same period.

Perpetual Insurances on Brick or Stone buildings will be made at a premium of 3½ to 4 per cent., and the premium returned if requested, at any time, by deducting 5 per cent.

GEORGE VICKERS, Agent
For the Franklin Fire Insurance Company of Philadelphia.
