DEDICATION

To the poor women without homes, to the little toilers who should be in the schools and playgrounds, to the white slaves in their tragic bondage, and to the children who die, these pages are dedicated! May every woman who is not too idle to have a thought, or too vain to have a soul, or too rich in gold to have a heart, join in the great struggle for women's freedom!

Purity, Liberty, Justice—these we must work for!
