The wedding took place in William Street Methodist Episcopal Church in Baltimore. The reception was given in the home of the bride. Mr. and Mrs. Truitt will reside in Baltimore.

MOORE—FITZHUGH

Miss Ruth Catherine Fitzhugh and Mr. John D'Arcy Moore, both of Madison, Md., were united in the bonds of holy matrimony Wednesday, April 22 at 8:30 p. m., at the home of Mr. and Mrs. Sewell Simmons, Andrews, Md., by the Rev. George S. Allen of Crapo.

WEDDING ANNOUNCED

Mr. and Mrs. Thomas R. Geoghegan announce the marriage of their daughter, Mary Antoinette Geoghegan, to Lieutenant John Moffatt Swalm, Jr., of the United States Army, Saturday, April 11th, at Brown Memorial Presbyterian Church, Baltimore, Maryland.

Lieut. Swalm is the son of Mr. and Mrs. John Moffatt Swalm, of Baltimore, Maryland, formerly of Pottsville, Pa. Lieut. Swalm is now stationed at Aberdeen, Maryland.

MR. JAMES A. SEWARD

Mr. James A. Seward, well-known resident of the Neck District and Cambridge, died Saturday, at 6:30 P. M., at the home of his son- in- law and daughter, Mr. and Mrs. Thomas J. Wheatley, 222 High street, Cambridge. Mr. Seward had been an invalid for the past three years. About six weeks ago his condition grew worse and since that time he had gradually grown weaker until the end came Saturday. A son of the late William E. and Julia Seward, he was born near Hudson, this county, and except for the past few years had spent his entire life in Beckwith Neck District, where he had engaged in farming. Mr. Seward was a kind and considerate father and neighbor, possessing very pleasing personality. He made a large number of friends, all of whom were grieved to learn of his death. He had been a member of Spedden's M. E. Church for several years. Surviving are one daughter, Mrs. Thomas J. Wheatley, Cambridge; one nephew, Wm. Seward, of Hudson; six grandchildren, one great grandchild. Funeral services were held Monday afternoon, at two o'clock, from the Thomas Funeral Home, 100 Locust street, and were conducted by Rev. A. E. Kinicely. Interment was in the family burial lot in Seward's Cemetery.

HOOPER'S ISLAND SOON TO HAVE ELECTRIC SERVICE

Hooper's Island residents will begin receiving electric service from the Choptank Cooperative in about a month's time, it was announced today.

Wilbert L. Merriken, attorney for the Cooperative, which has extensive rural electrification lines on the Eastern Shore, notified the Public Service Commission that long-awaited wire for the Hooper's Island project had arrived.

It will be three or four weeks before the lines are erected. The Cooperative recently was granted the right to extend its service into the Hooper's Island area, formerly served by the South Dorchester Electic Light and Power Company.

DIM-OUT ORDERED ALONG ATLANTIC COAST

Boardwalks of Atlantic Coast resorts, including Maryland's own Ocean City holiday rendezvous of thousands of Baltimoreans will be weird, yet interesting next summer, if the prevailing dimout here is to be taken as a criterion.

The dimout, many degrees removed from total blackouts which have not been demanded by the armed services for any coast towns, are the result of requests of the army, navy and Coast Guard that lights along the shore be eliminated or lowered to prevent silhouetting of passing merchant ships against the sky glow or halo.

Ocean City, for example, has followed in a way Atlantic City's treatment of boardwalks illumination. Atlantic City has painted the tops and sea sides of all boardwalk laps, leaving a small open triangle on the land side, through which shines dimly the only illumination from that lamp.

Ocean City's lamps also have been masked with paint on the ocean side, but there are three small light slits on the land side instead of the triangle. Bethany Beach solved its boardwalk lighting problem by the simple process of removing all globes from standards three weeks ago. There will be no illumination on Bethany's boardwalk. Rehoboth has painted its boardwalk lamps after the fashion of Atlantic City.

In Atlantic City street lamps on avenues leading from the center of town to the boardwalk have been masked out on the sea side for two blocks. This furnishes a pallid light on the land side only. In Ocean City and at Bethany Beach the street lighting problem has been solved by covering street globes with tin cans. In Ocean City, discarded gasoline quart tins were used.

For 1942—a Beautiful New

FORD

"6" OR "8"

IN THESE UNUSUAL TIMES we invite you to inspect an unusual new car—new in its beauty, its comfort, its choice of two fine 90 horsepower engines, 6 cylinders or 8.

See it and you sense at once that here is new style that will *stay* good for years. On a lower, wider chassis, we have designed new long, low, wide and modern lines.

Interior treatment is entirely fresh, distinctive, pleasing. The beauty of this Ford will more than hold its own in any company.

Inside, the car is *big*—wide across the seats, generous in knee-room, leg-room, elbow-room.

On the road this year you find the "new Ford ride" still further advanced in its softness, quietness, steadiness and all-round comfort.

At the wheel, you will find driving easier than ever. Steering, gear-shifting, action of the big and sure hydraulic brakes have all been made smoother and easier.

In quality, the car is sound to the last detail. Defense requirements have all been met without a single reduction in the basic and lasting goodness of the Ford mechanically. Some new materials have replaced old ones, usually at a greater cost to us, *but in every case the new is equal to or better than the old.*

If your family needs a new car, go see and drive this Ford. *For what it is today and for what it will be through the years ahead, we believe that you will find in it more and better transportation for your money than you have ever found before.*
