WASHINGTON COLLEGE has the handsomest grounds in the State and they are looking particularly fine now.

BETTERTON was never so attractive as at present and her hotels are unexcelled.

LOVE POINT is looming up as an excursion resort. Col. Phil. Legg keeps one of the best hotels in the State there.

TOLCHESTER is having the greatest season in her history. The Beach never looked prettier and the attractions increase with the years.

KENT'S summer resorts are unsurpassed in the State and next Tuesday July 4th, they will be the mecca for thousands.

IT seems more than likely that the Eastern Shore will be accorded the Republican nomination for the Comptrollership. Those mentioned are John D. Urie, Esq., of Kent, Mr. Charles W. Hobbs, and Senator Robert B. Dixon, of Talbot.

ONE editor, Mr. J. Marion Emerson, who publishes a live daily at Ansonia, Conn., came all the way here to visit his Alma Mater. We regret that all the Eastern Shore of Marvland editors were not present. Washington College appeals in strongest terms to all residents of Eastern Maryland.

THE peach crop throughout the country will not be an over-production and prices are expected to be good. In Western New York the crop prospect is reported fine. Up to the middle of June thirty carloads of peaches had been shipped from Georgia this season. In Kent county the crop will be very small.

WE are more than glad to see the action of the Democratic factions in coming together in hearty support of the nominated ticket. This is the right spirit and only what was to be expected. When the party man who fails to win in a primary fails to support the one who does win, he reflects upon himself, and it is certainly to the credit of the whole party to say that, so far as we know, there is not a single Democrat who took part in the recent primaries who will not do his duty like a man. This augurs well for a big majority in November.

What Does It Mean?

A correspondent of the Baltimore American from Centreville makes these statements:

1. The Independent Democrats have decided to oppose the Franchise Amendment."
2. "The Republicans of Queen Anne's will not nominate a ticket this fall."

What does this mean? Can it be possible that honest Democrats, like many we know in the independent movement in our sister county, will barter a vital principal for Republican votes?

THE County Commissioners of Cecil county met on Tuesday and made the levy for the fiscal year beginning July 1, fixing the county tax rate at $1.30 on $100, the highest ever known in that county. The taxable basis for county purposes is $13,362,401. The State tax rate will be 23½ cents on $100, and the taxable basis for State purposes is $11,921,457.

STATE PHARMACISTS.

Druggists Meet at Betterton—M. A. Toulson Elected President—Splendid Meeting.

The Maryland Pharmaceutical Association which met at Betterton last week closed its twenty-third annual meeting Friday morning.

The address of welcome was delivered by Mr. W. F. Russell, of Chestertown, and the response by Mr. W. P. Hynson, of Baltimore, who was born within two and a half miles of Betterton. Both were heartily applauded.

The association has 219 members in good standing; 20 were dropped last year for non-payment of dues.

The reading of the president's address was the chief feature of the day's proceedings. It was attentively listened to, favorably discussed and referred to a committee for consideration.

Officers Elected.

The nominations for officers made by the committee appointed for the purpose proved very acceptable, as all were unanimously elected, as follows:

President—M. A. Toulson, of Chestertown.

First Vice-President—Henry Howard, of Brookeville.

Second Vice-President—Joel J. Barnett, of Baltimore.

Third Vice-President—W. A. Carson, of Port Deposit.

Secretary—Louis Schulze, of Baltimore.

Treasurer—H. H. Rudy, of Hagerstown.

Executive Committee—H. A. B. Dunning (chairman), of Baltimore; Charles Schmidt, of Baltimore; and J. S. Black, of Cecilton.

Two of the recommendations made by the president in his address regarding amendments to the Pharmacy law were adopted. These referred to making the scope of the assistant pharmacists' work more definite and to making the interchange of certificates of registration between the States possible. His desire to make the office of secretary a permanent position was not concurred in.

The Negro Suffrage Amendment.

The Baltimore American and the Evening News seem very much concerned about the course of the Democracy in regard to the negro suffrage amendment. It is not likely that any Democrat will go to either of these papers for advice on that subject, or indeed any other subject, where the interests of the Democracy are concerned. The suffrage amendment appeals to the best good of all the white people of the State, and the efforts of the Republican papers and other partizans to strangle it is simply because of the narrowest sort of political prejudice. The fifty thousand negro voters of Maryland are as so much chattel in their hands and it is political death to the bosses that "handle" them. So that they will never willingly relinquish that power. But we believe the great majority of the right thinking people of the State, including members of all parties, will see the importance of a measure so wise as is the negro suffrage amendment, and will give it an overwhelming majority in November. The more intelligent colored people should support it as of the greatest interest to themselves.

SENATOR D. O. MOORE, of Laurel, a prominent Union Republican leader in Delaware, surprised his friends Tuesday by announcing his marriage, which had occurred three years ago, to Miss Mary Elizabeth Dykes, of Laurel. The Senator recently remodeled and brightened up his home there, and the probability of a wedding was predicted. The homecoming of Mrs. Moore on Tuesday, however, and the announcement of the marriage, which had been kept a secret for so long, set the predictions at rest and created a sensation. The couple are now receiving the congratulations of their friends. Senator Moore is the father of the popular first baseman of the Washington College base ball team.

THE full text of the law for automobiles is published in another column by authority of the county commissioners. All users of these machines should read it carefully.

NOTICE TO THE PUBLIC.

The Law Regulating the Use of Automobiles.

IN VIEW of the use of motor vehicles in Kent county, we deem it proper to call the attention of the public to the law governing same, so as to protect the traveling public and to forewarn owners. This is a State law passed at the session of the Legislature of 1904.

CHAPTER 518.

AN ACT defining motor vehicles and providing for the registration of the same, and uniform rules regulating the use and speed thereof.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That every resident of this State who is the owner of a motor vehicle, and every non-resident owner whose motor vehicle shall be driven in this State, shall file in the office of the Secretary of State a declaration duly verified that such owner is competent to drive the motor vehicle for which application for license is made, and a written statement containing the name and address of such owner, together with a brief description of the character of such motor vehicle, including the name of the maker and the manufacturer's number of the motor vehicle, if number there be, and the rated horse power of the motor vehicle, and shall pay to the Secretary of State a registration fee of one dollar for each motor vehicle; the Secretary of State shall issue for each motor vehicle so registered a certificate, properly numbered, stating that such motor vehicle is registered in accordance with this section, and shall cause the name of such owner, with his address, the number of his certificate and a description of such motor vehicle or motor vehicles, to be entered in alphabetical order of the owners' name in a book to be kept for such purpose. This section shall not apply to manufacturers or dealers in this State of motor vehicles, except as to vehicles kept by such manufacturer or dealer for private use or for hire.

SEC. 2. *And be it enacted*, That the owner of each and every motor vehicle driving the same upon the public streets, public roads, turnpikes, parks, public parkways, public driveways or other public highways in this State shall have the number of the license issued as aforesaid by the Secretary of State upon the back of every such motor vehicle, in a conspicuous place, so as to be plainly visible at all times during daylight, such numbers to be separate Arabic numerals, not less than three inches in height, the strokes to be of a width not less than three eighths of an inch, and, excepting the numbers upon the lights, required by Section 3 of this Act, such owner shall not be required to place any other marks of identity upon said motor vehicle.

SEC. 3. *And be it enacted*, That every motor vehicle shall carry, during the period from one hour after sunset to one hour before sunrise, at least two lighted lamps, showing white lights, visible at least two hundred feet in the direction toward which such motor vehicle is proceeding, and shall also exhibit at least one red light, visible in the reverse direction: upon the side or fronts of the two aforesaid lamps showing white lights shall be displayed, in such manner as to be plainly visible when said lamps are lighted, the number of the license issued as aforesaid by the Secretary of State, the same to be in separate Arabic numerals, not less than one inch in height; every motor vehicle shall also be provided with good and efficient brake or brakes, and shall also be provided with suitable bell, horn or other signal device.

SEC. 4. *And be it enacted*, That the following rate of speed may be maintained, but shall not be exceeded, upon any public street, public road or turnpike, public park or parkway, or public driveway, or public highway in this State by anyone driving a motor vehicle:

(1) A speed of one mile in ten minutes upon the sharp curves of a highway and at the intersection of prominent crossroads where such road or highway passes through the open country.

(2) A speed of one mile in ten minutes where such street or highway passes through the built up portions of a city, town or village.

(3) Elsewhere except as otherwise provided in Sub-divisions 1 and 2 of this section a speed of one mile in six minutes: provided, however, that in meeting or passing a person driving or riding or leading a horse or horses or other animals, such speed shall be reduced to a mile in ten minutes, and that nothing in this section contained shall permit any person to drive a motor vehicle at any speed greater than is reasonable, having regard to the traffic and use of highways, or so as to endanger the life or limb or to injure the property of any person: and it is further provided that nothing in this section contained shall effect the right of any person injured either in his person or property by the negligent operation of a motor vehicle to sue and recover damages as heretofore.

SEC. 5. *And be it enacted*, That the person in charge of said motor vehicle, at the signal or request of any person riding a horse, or of any person leading or driving a horse or horses or other animals, or at the indication of such horse or horses or other animals be coming alarmed by said motor vehicle, shall go as far as practicable to the side of the road and remain stationary until the said horse or horses or other animals have passed to a safe distance, in the meantime making as little noise as possible with the steam.

SEC. 6. *And be it enacted*, That any person driving a motor vehicle the owner of which shall not have complied with the provisions of this Act, or which motor vehicle shall display a fictitious number, the same being a number other than that designated for such motor vehicle by the Secretary of State, shall, upon conviction, be fined a sum not exceeding fifty dollars, and, in default of payment thereof, be punished by imprisonment in the county jail for a period not exceeding thirty days; provided, this section shall not be construed to prohibit a motor vehicle displaying the proper number or its license from also displaying any other number for any lawful purpose.

SEC. 7. *And be it enacted*, That any person driving a motor vehicle upon any public streets, public highways, public roads, turnpikes, parks, public parkways or public driveways in this State in a race or on a bet or wager shall, upon conviction, be fined in a sum not exceeding fifty dollars, and, in default of payment thereof, be punished by imprisonment in the county jail for a period not exceeding thirty days.

SEC. 8. *And be it enacted*, That all motor vehicles used in this State shall be provided with a suitable lock to lock the starting lever, throttle or switch by which the vehicle is started and no person shall allow any motor vehicle operated by him to stand or remain unattended on any road in said State, or street or road in any town or city in said State, without having first locked the lever, throttle or switch by which the vehicle may be set in motion.

SEC. 9. *And be it enacted*, That any person violating the provisions of this Act shall, except as otherwise provided herein, upon conviction, be fined in a sum not exceeding the amount hereinafter set forth: For a violation of Section 1, fifty dollars; for a violation of Section 2, twenty dollars; for a violation of Section 3, twenty dollars; for a violation of Section 4, Sub-division 1, twenty-five dollars; for a violation of Section 4, Subdivision 2, twenty-five dollars; for a violation of Section 4, Subdivision 3, fifty dollars; for a violation of Section 5, fifty dollars or confinement in the county jail for not less than thirty days, or both, in the discretion of the magistrate or court. In default of the payment of any of the above fines there shall be imposed an imprisonment in the county jail for a period not exceeding thirty days; provided, that any offender who shall have been guilty of a violation of this Act and sentenced therefor, and who shall be convicted of a second offense of the same violation, may for such second offense be fined in double the amount herein prescribed for the first offense, or may be punished by imprisonment in the county jail for a period not exceeding three months.

SEC. 10. *And be it enacted*, That whenever the term "motor vehicle" is used in this Act it shall be construed to include automobiles, locomobiles, and all other vehicles propelled otherwise than by muscular power, except the cars of electric and steam railways and other motor vehicles running upon rails or tracks; but nothing in this Act contained shall be construed to apply to or affect bicycles, tricycles or such other vehicles as are propelled exclusively by muscular power. This Act shall not apply to the vehicles known as motorcycles, but shall apply only to those mechanically propelled vehicles having more than two wheels.
