CATERS TO PUBLIC INTEREST.

Mr. Walter E. Hill, of Baltimore, son of Capt. Daniel Hill, experienced some inconvenience on account of the change of the railroad schedule, the Pennsylvania Railroad making connections with the lower branches of the Peninsula Express that left Baltimore at 2.30 p. m. daily, and after taking same up with Mr. Jas. R. Wood of the Penna. R. R., the schedule was changed so as the train would leave Baltimore at 3.30 p. m. daily, and save the hour wait along the route. The reply of Mr. Wood is here given so that the NEWS readers will see that it was through Mr. Hill this change was made.

MR. WALTER E. HILL,
203 N. Liberty Street, Baltimore, Md.,

Dear Sir:—Yours of the 30th ultimo was referred to our Transportation Department for their information, and with request that they relieve the situation of which you complain.

I am advised this morning that it has been arranged on the schedule taking effect on the 26th of this month, for the Peninsula Express No. 262 to leave Baltimore a little later, so as to make closer connection with Delaware Division train No. 31 at Porter, which will no doubt relieve the principal cause for complaint.

The matter of sufficient coaches on the train, to give passenger seating room, will be looked after, and it is thought that there will be no further cause for complaint on the part of yourself and others from this source.

Yours truly,
J. R. WOOD,
Per T. M.

Now the next important change would be the publication of time tables *and some notice of changes.* The public look to the press for such matters and if the railroads have any regard for the public convenience they will answer to this crying need.

The new time table went in effect Sunday, the train arriving in Chestertown at 11.07 a. m. and 7.03 p. m.

To succeed these days you must have plenty of grit, courage, strength. How is it with the children? Are they thin, pale, delicate? Do not forget Ayer's Sarsaparilla. You know it makes the blood pure and rich, and builds up the general health in every way.

The children cannot possibly have good health unless the bowels are in proper condition. Correct any constipation by giving small laxative doses of Ayer's Pills. All vegetable, sugar-coated.

Owing to the rain there was no service in our church last Sunday morning. The evening service was much enjoyed by all, our pastor was at his best and Prof. W. J. Harrington sang two solos, the Glory song and "Grace enough for me."

The concert given by Prof. W. J. Harrington assisted by Miss Margaret Jones, of Wilmington, in the lecture room of the church, was well attended and much enjoyed. Words fail in speaking of Miss Jones as an elocutionist, she simply took the house by storm by the rendition of her various selections. At the close of the concert Prof. Harrington formed a musical institute for both old and young. This choral class will give a grand closing concert on Tuesday evening June 4th at 8 o'clock. Miss Margaret Jones has been secured again to assist in this entertainment, she cannot be commended too highly and the opportunity to hear her should not be missed. Admission 15 and 25 cents.

Harrington will spend the day with us singing solos at each service. The choral class will take part in the singing.

Children's Day will be observed on the second Sunday in June. A splendid programme awaits you.

SALISBURY DRUGGISTS MAY DISPENSE WHISKEY?

Local Option Law Provides That Alcohol and Other Intoxicants May Be Sold on Physicians Prescription in Salisbury District.

Over two years ago when the vote was taken on the liquor question in Salisbury district and was decided in favor of local option, it was thought that under the law, the sale of intoxicants had been prohibited, and that with the closing of the saloons, and a law which prohibited druggists from dispensing liquor, the evil had been entirely disposed of as far as the sale of intoxicants was concerned. This has been the general belief since the vote was taken, and believing that it would be unlawful to dispense liquor or grain alcohol, even with a Government license, the druggists of this city have been unable to supply either whiskey or grain alcohol when ordered by a physician for medical purposes.

With the druggists and the people in the belief that the sale of liquor was unlawful, a bottle of Duffy's Malt Whiskey, which appeared in the show window of Toulson's drug store during the week was the cause of considerable comment. Mr. Toulson's attention was called to the fact, and he was told that he would violate the law by selling Duffy's Malt, which is nothing more or less than a pure corn whiskey, in a local option district. Mr. Toulson replied that he had secured a Government license for which he paid $25 which gave him the privilege of dispensing whiskey or grain alcohol upon the written prescription of a licensed physician. Of course a discussion followed in which it was brought out that before securing the Government license, Mr. Toulson had secured legal advice to the effect that under the law as it now stands in Salisbury, Tyaskin and Delmar districts, a retail druggist, who holds a Government license, may dispense whiskey or grain alcohol upon the prescription of a physician, provided the full name of the person for whom the intoxicant is prescribed is written on the prescription. These prescriptions must be pasted in a book by the druggist and at the written request of any five citizens of the district in which the liquor is sold, the books must be opened for public inspection.

It is thought that this is a serious flaw in the law controlling the sale of liquor in these districts, and it is quite probable that steps will be taken at once to correct what is looked upon by the public as a gross oversight in the local option law as it stands at the present time.—Salisbury Courier.

Base Ball Notes.

Washington College lost their third championship game Saturday by score of 3 to 0.

It took ten innings Saturday afternoon to tell which was the "best man," Kennedyville or Sudlersville. The game was the most interesting played there this season, the cheering was loud and long when with one man out Logan crossed the home plate making the score 2 to 1. Batteries, Kennedyville, Johnson and Lipscomb; Sudlersville, West and Fox.

The Merchants won another victory over the High School here Tuesday by a score of 7 to 10.

The Worton baseball club went to Still Pond last Saturday and played the nine of that town. Score 12 to 2 in favor of Worton.
