The fact was due to the men being busy in the harvest fields and unable to get the fish and crabs. Had they known sooner that they were to be disappointed in procuring the fish and crabs arrangements for them would have been made elsewhere, but did not know until it was too late to do anything whatever. The supper was disposed of and we as well as those that came and turned back were disappointed. If Baltimore had displayed as much anxiety to do the square deal in the days when shipping facilities of the Eastern Shore was excellent as she now manifests in regard to regaining lost trade, possibly her trade with the Shore would not have suffered and shipping facilties would be even better than in the days before the P. R. R. controlled the bay. As a matter of fact shippers of the shore as a rule have found Philadelphia and New York markets more interesting than Baltimore offered. This section has quite a number of farmers, businessmen and watermen, why prefer Northern markets, and if shipping facilties were direct to those markets the number would be much larger.

My! how solicitous people are becoming for the down-trodden merchants and clerks. It's alright maybe, for the town folks, but how about those out of town?

Farmers here who failed to get through their threshing last week were much disappointed on Monday by the rain putting a quietus to further operations for several days. Up the road wheat seems to be not so good in yield as the East Neck and Island crops. Mr. James Stevens' yield was 26 bushels to the acre which is considered remarkably good for the Wickes farm in late years.

Monday's rain, however, was much needed by the growing crops and they have since shown their appreciation by a big forward move.

Mr. Snowden Maslin has planted an ornamental pole in front of his tonsorial parlor and also placed a pretty shield emblematic of his profession in one of the large windows.

Miss Ada Pearce, of East Neck Island, is visiting friends and relatives at Hampton, Va.

While friend Penn, the original tonsorial artist of this place is holding the even tenor of his calling and scooping in the shekels. All are well patronized.

The M. E. Sunday school will picnic in Wilkinson's Grove on the 15th. This treat is looked forward to with happy anticipation by the whole school.

August is with us and oystermen are preparing for the oyster season. As usual, conflicting reports are in circulation regarding the luscious bivalve, some say oysters are plentiful on Swan Point, but small, Chester river's are in good condition but very scarce. Everybody in this section are hoping for a good season to all concerned.

Dr. Selby's young son who underwent an operation for appendicitis last week bids fair to heroically pull through with flying colors as all reports from the Hospital are most favorable.

The Ladies' Store. Chestertown, Md.

JEFFERSON

STYLE and SERVICE

OF ALL the seasons we like summer best—it brings to us youth and vitality—fresh air and freedom—out-door life and out-door clothes—and half the joy is because of the clothes.

They are prettier, far, than in any other season, and the most pleasing feature is they are less expensive—this is particularly true of our store.

The very newest things in Ginghams, Muslins, Lawns, Batiste, White Goods, Printed Wash Goods, Sheer Chiffons; in fact, every other fabric dear to the heart of the women and the joyous spirit of summer are here, and coupled with them you'll find the latest styles and excellent service. Make your selection here and your summer wardrobe will reflect your taste and good judgment and the cost will cause you to wonder.

Some Dainty Footwear

It is a source of great pleasure to a woman, who loves dainty *Footwear*, when she runs across a charming selection of new, fresh styles in Oxfords, Slippers and Pumps such as we are showing. Every lady who visits this department exclaims: "HOW BEAUTIFUL THEY ARE!" The woman who can't be pleased with the Slippers and Pumps shown by Jefferson this season will have a hard time getting pleased.

Millinery! Millinery!

This has been an unprecedented season in our Millinery Department. Our trimming room has been taxed to the utmost night and day. The styles never were more attractive and charming, the trimming never more varied and beautiful, and the prices never so paltry and pleasing. Yet with the vast number of hats that have been turned out, we have a plentiful supply for the unfortunate ones—those who have as yet been unable to buy. We are showing the daintiest things in Trimmed and Untrimmed Hats and Sailors, and a gorgeous array of Trimmings, such as Flowers, Ribbons, Plumes, Grass, Feathers, etc.

3-inch Ribbon, 10c yd.

We have, while it lasts, some exceptionally good values in ribbon. They are all silk, in black, white, blue, pink and red. Regular 15c quality at 10c a yard, while they last.

Muslin Remnants

We have just received a consignment of short ends of Muslins of especially good values. They run in lengths of from 1 yard to ten yards to the piece. Price per yard only 8c.

Lawns

Our Summer supply of Lawns is now complete with all the nice things of the season. No old stock carried over from last year. We always clean up from one season to another, so when you buy a Lawn here you can rest assured you are getting the newest.

White Shirt Waist Suits and Skirts

Last season was our first venture in this department, and we were so well pleased with the results that we have more than doubled our supply of last season, and now you can find the most nobby things that you ever saw all ready to put on. We have them in White Lawn, also the Linen and Pure Linen fabrics, from $2.50 up to $6.00 for the full suit; also the Separate Skirts of Linen, from $1.50 up to $3.00.
