TAXES AND Fees.

BY an act passed at the last session of the Legislature, the Collector of the State Taxes is authorized to make a deduction of three per cent on such Taxes if paid by the 1st of November next. The Collector will also charge interest on arrears of Taxes and fees if not paid by the first of December next. A large amount of public money is due to the office of Sheriff and Collector—the State is inexorable in her demands and will not be delayed by promises. The Alms House, supervisors of roads, out Pensioners, witnesses and others, having claims against the county, are claiming payment of their dues, and they must be met. The season is now here when payments must be made by the Sheriff and Collector, and to enable him to meet them, he must make immediate demands, upon all who are indebted for Taxes and Fees.

The undersigned must therefore notify all persons indebted to the office to call and make immediate payment. He will give directions to his deputies to proceed to execute for Taxes and fees, and to cause other proceedings to be had if payments be not immediately made.
