SIX NEGROES ASSAULT GIRL.

Fourteen-Year-Old Negress Seized at Point of Pistol.

Gordey Martin, a 14-year-old colored girl of Pondtown, about five miles south of Crumpton, was feloniously assaulted by six colored men about 10.30 o'clock Saturday night near her house.

The girl was in company with another about two years younger, had started in the direction of their home after visiting a friend, and had proceeded only a short distance, when they were overtaken by a friend in a team, who offered to take them to their destination. After having ridden adout half a mile six men, whom the girls said were James Adams, Buck Blackson, Dave Blackson, Thomas Blackson, Dave Elliot and George Harrison, all colored sprang from a thicket along the road which runs in front of the farm of Mr. Samuel Wells. One of them caught the horse's bridle and commanded halt. Under penalty of his own life the friend was compelled to release the two girls and drive from the place. The girls immediately began to scream for help, but the elder was caught and her cries stifled by a handkerchief being thrust into her mouth. The younger was not molested and fled to give the alarm.

After committing the assault the men fled. The girl finally managed to reach home and explained to her parents the manner in which she had been treated, They notified the authorities, and officers of both Kent and Queen Anne's counties are on the lookout for the men, and as they are well known an early capture is expected.

Cornelius; Treasurer, Samuel Mann; Secretary, John N. Bennett; Gate-keeper, Charles P. Norris; Pomona, L. D. Kelley; Flora, Mrs. L. B. Harper; Ceres, Mrs. Ella Ford; Lady Asst. Steward, Mrs. Ella Pennington.

Still Pond Grange starts with bright prospects, for its officers and members are of the best and most progressive citizens of the county.

He also organized one at Millington, Friday afternoon but too late to put the list of officers and will make an effort to have one at Fairlee, Chestertown and other points in the county, after which they will be formed into a County or Pomona Grange and all good citizens are asked to give their assistance.
