WHOLESALE DEALERS IN

British, French, German & American

DRY GOODS.

THE present mode of doing business (we mean the CREDIT SYSTEM) is now carried to such an extent; that it is only attended with disaster and vexation to the cash and prompt solvent buyer, by increasing the number of his competitors, but unless every precaution and the utmost prudence is observed, the wholesale dealer is involved in difficulty and two-thirds, at least, who embark in the credit business, are reduced by *bad debts* to absolute bankruptcy.

With this truth before us, we have determined to change our system of business, by selling only for cash, or on very short time for prompt payment, and beg leave to call the attention of purchasers to the advantages we can offer as enducements to examine our stock.

Possessing every facility for purchasing at the lowest cash prices, and all times ready to avail ourselves of a fall in the market; watching every Auction sale in this, and not unfrequently in the neighboring cities; we feel confident of our ability to sell, at least a *portion of our stock lower* than the same articles can be bought elsewhere, and the whole at the smallest possible advance.

Our stock will embrace every article usually found in a Wholesale Dry Good establishment, and we respectfully invite your attention when in our city, knowing that, the many indecements we can offer, we cannot fail to convince the doubting and incredulous, that the small advance charged upon the cost will not include losses by bad debts and lawyer's fees, or expenses of a travelling collector; and, to every cash buyer, who will spare the time to give our stock a careful examination, we pledge ourselves to sell him a satisfactory bill *or compel other houses to sell him cheaper than they have ever done before.* To conclude, we promise it shall be our constant aim, in our intercourse with the retail dealer, not only to make it *his interest* to purchase of us, but by pursuing a course of strict integrity, to merit his confidence, custom and influence.

THE NIAGARA SHOWER-BATH

AN ENTIRELY NEW ARTICLE FOR SHOWER BATHING,

With old or Warm Water.

A great and important improvement is made in this Shower Bath over all others, by throwing the water immediately on the body without wetting the head unless at the will of pleasure of the bather; but greater point is gained by being enabled to bathe with warm water, which no other Shower Bath is adapted to—and most important of all, the bathcan be medicated without injury to the hair.

Many persons cannot take a cold bath—their case is met in this, as they can regulate the temperature of the water to suit their wish and commence bathing at any season of the year without any unpleasant result. Ladies can have the advantage of bathing without wetting the head or covering the same.

The arrangements are simple and complete, and not liable to get out of order.—The Bath can be adjusted to suit any heighth, from a small child to the tallest person. When the door is closed, the fixtures are hid and the outside appearance is that of a neat piece of furniture.

They have received the approbation of several midical gentlemen—others are requested to call and examine them.

BATHING Read What Armstrong says:
Do not omit ye who would health secure,
That daily fresh ablution, that shall clear
The sinuces of the skinn, enough to keep
The body sacred from indecen soil.
Still to be pure, even if it did not conduce
(As much as it does) to health, very greatly worth,
You daily pairs: 'tis this adorns the rich;
The want of this is poverty's worst foe
With this external virtue, age maintains,
A decent grace; without it, youth and charms
Are loathsome." Aug. 26

DR. MARTIN'S Universal Purgative Pills,

A Remedy for all seasons, and safe at all times. The most superficial observer is aware that the great cause of disease is Costiveness, and that by the timely taking of a Purgative; the system is often restored to its usual health. By such a course, the lives of hundreds are saved, who would otherwise have fallen victims to disease. These pills remove all irritating matter in the bowels, and exciting the biliary functions to a healthy action. The press is teeming with the recommendations of purgative pills, gotten up by men who know nothing of the effects of medicine on the human system, and hence are endangering the lives of thousands, who are daily using them. In offering, therefore, these pills, we think we are doing a public benefit, as they are the prescription of a regular physician, who has used them in his practice for ten or fifteen years, and with great success.

Martin & Whiteley's

National Tonic,

A CERTAIN CURE FOR

Fever and Ague and Dyspeptia.

IN our Summer and Fall months many sections of our country are prostrated by this disease. It has been our particular study to find out some remedy to stop this truly dreadful scourge, and think by this TONIC we have effected the great object. It is also, we think the very best remedy in Dyspeptia, and if our directions are followed, will not fail to effect a cure. Read the pamphlets which you get from one of our agents, gratis, and we think you will be convinced we are right.

Read the following.

Baltimore, Jan. 11th, 1849.

Messrs. Martin & Whiteley:

Gents:—Having used your National Tonic for Dyspepsia, which has troubled me to a great extent for some years, I am pleased to say to you that it has cured me effectually. I had taken a good deal of medicine, hoping to be relieved, but nothing has done me any service till I took your Tonic.

DR. MARTIN'S Compound Syrup of Wild Cherry, is the best medicine for Coughs, Colds, Consumption, Asthma, Spitting of Blood etc. Read the following:

Dr. Martin—Dear Sir.

Having received such great relief from the use of your Compound Sprup of Wild Cherry, I have determined to send you a statement of my case as it was when I commenced the use of it. I had had for some weeks a violent cough, and was under the care of my family physician, the late Dr. R. A. Durkee, whose experience in such matters no man ever doubted, yet my cough continued to increase, and I was so much reduced in flesh, I as well as my family became alarmed. In December last I called on you, as I knew you had for many years back attended my brother, the late Dr. Charles Tilden o Caroline county, Md., whose wife and two children and himself have since died of consumption. You seemed very doubtful of my case, as I thought and remarked you knew of nothing that would benefit me more than the free use of your "Syrup of Wild Cherry,' I would observe a rigid diet, such as laid down in your pamphlet on Consumption, which accompanies each bottle of the Syrup. Upon due reflection I at once commenced following your advice, and soon found a great change for the better, and in a few weeks I was enabled to attend to my business. My children have had violent colds, attended with a cough—such is my confidence in the Syrup I immediately resort to it, and always with success. Parents I think, should always keep it in their houses, as it will relieve the worst cough if taken in time. You can make use of this statement in any way you see proper. Yours respecfully,

THOS E. TILDEN,
Merchant Tailor.

Read the pamplets, which you can obtain gratis of any of the Agents. Price 75 cents a bottle.

Prepared and sold by Martin and Whitely, No. 48 S. Calvert st. Baltimore.

THE above Medicine is sold by JNO. L. STAM, Chester Town, and other agents throughout the county.

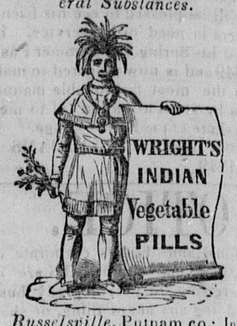
THE ORIGINAL AND ONLY — Genuine INDIAN MEDICINE



Russelsville, Putnam co.; Ind.,
July 1, 1847.

Dr. Wright: Some time since your agent left me a supply of your Indian Vegetable Pills. I have found said Pills to be in great demand lately for the cure of Fever and Ague. Mr James Boyd has a son who has a son who has been laid up with Fever and Ague, and had tried other remedies, all of which proved of no avail. He determined to buy your Indian Vegetable Pills, and by using one box is now sound and well. Mr. T Spencer had a daughter, Mr. Hugh Groves a son, and Mr. Charles Nicolas and three of his family, were all down at the same time with fever and ague, and had also tried the various other remedies without effect. Your Indian Vegetable Pills soon restored them to perfect health. I can assure you, from what I have seen, your Indian Vegetable Pills may be relied on for perfect cure of Fever and Ague. Yours respectfully,

JACOB DURHAM, P. M.

Also an acting Justice of the Peace.

This is to certify, that I was entirely cured of the chills and Fevers of several months' standing, by the use of four doses, of four pills each, of Wright's Indian Vegetable Pills, after taking medicine from a regular physician for some time, and have had no symptoms of them since, which has been about one year ago.

50,000 *VICTIMS EVERY YEAR*

Fall a Prey to Consumption Asthma and Raising Blood, Hectic Fever and night Sweats.

Mrs. Adams, 126th st., Harlem, suffered a year with a cough, pain in the chest, night sweats, and all the aggravated systoms of Consumption, nothing relieved her till she tried Sherman's Balsam:—half a bottle cured her.

Ulcerated Lungs and Liver.

Mr. E. T. Lawrence, Jackson st. Brooklyn, after years of suffering, and treated by various physicians, was pronounced incurable from ulcerated lungs and liver. Dying, as was supposed, he tried the Balsam: its effects were most miraculous; two bottles cured him.

Pleurisy and Consumption.

Mrs. Baggas, resided at 88 Sheriff-Street, 70 years old, has been subject to attacks of pleurisy and consumptivo coughs for years. This Balsam has saved her from very great suffering.

Asthma and Consumption.

L. J. Beals, 19 Delancey-street gave it to his sister-in-law who had been an invalid for years from Asthma; to another of 68 in consumption. It relieved them at once, so that they travelled several hundred miles.

Spitting Blood

Is always alarming. It leads to the worst kind of Consumption, and unless arrested in time is generally fatal. Sherman's All-Healing Balsam is the best remedy known; it heals the wounded or ruptured blood vessels of the lungs, and thereby effects a permanent cure, while other remedies only stop the blood for the time A few doses of this Balsam will satisfy the most skeptical that it is the medicine required—It has been successful in many cases, and that too where they had run into a rapid decline, or, as mord generally expressed, "Hasty Consumption." Young persons, or those of middle age, are morh subject to these attacks than the aged.

Price 25 cents and $1 per bottle.
