It Is Now Time

to begin to think about spraying your orchards.

BEGIN RIGHT BY BUYING AN

Empire King Sprayer

which is the most satisfactory spray pump made.

After we have supplied you with a Spray Pump then the next is something to use in it. We have

SCALESCIDE

found to be very satisfactory by such farmers as Mr. John Bell, Mr. James Bell, Mr. J. Thos. Smith, Mr. James Newnam, Mr. John Newnaw, Mr. James A. Lee and many others. Mr. James A. Lee, of Sudlersville, Md., tells us that the inspector from the Maryland Experiment Station tells him that he never saw a better job done by anything or anybody as he could absolutely find no live scale in his orchard after the use of SCALESCIDE. What better recommendation can you want than that?

We also have the SUCCESS MANURE SPREADER which is a thorough rolling bearing machine, the only manure spreader yet using roller bearings which is a much lighter draft spreader. It is undoubtedly the best manure spreader made. See us before buying.

We are also prepared to furnish you with anything that you may need on the farm, OLIVER PLOWS, FARM WAGGNS, HAMES, TRACES, LINES, COLLARS, BRIDLES, HALTERS, BACKBANDS, etc.

If you need a GASOLINE ENGINE either stationery or marine we are prepared to take care of you. For the stationery we have the McVICKER which is simplicity in itself, and for the marine we have the FERRO which is too well known here to need anything further said.

Let us figure with you on your wants.

THROUGH THE CANAL.

The present officers of the Baltimore and Philadelphia Company are: President, John Cadwalader, of Philadelphia; secretary and treasurer, Henry L. Gaw, Jr.; manager, Clarence Shriver; agent, F. S. Groves, of Philadelphia; cashier, Charles W. Duff; secretary to the manager, Pierre G. Gaspari.

The Bible On Passes.

It was Mr. Clarence Shriver, who some years ago compiled from Scriptural texts the following amusing rules regarding passes which were widely circulated through the newspapers:

IN THOSE DAYS THERE WERE NO PASSES.

Search the Scripiures.

Thou shall not Pass.—*Num.*, xx. 18.
Suffer not a man to pass.—*Judah.*
The wicked shall no more pass.—*Nahum*, i. 15.
None shall ever pass.—*Mark*, xiii. 50.
Though they roar yet they shall not pass.—*Jeremiah.*
So he paid the fare and went.—*Johah*, i. 3.

In the office of the manager of the Ericson Line one of the first objects to attract the eye is a portrait bust carved in wood of Mr. John S. Shriver, founded and first president of the line. The bust was long used as a figurehead of a steamboat of the line that bore the founder's name. It is a striking bit of wood carving and shows a strong and finely molded face, full of the spirit and vigor of a man who was capable of shouldering the responsibility of establishing a great maritime enterprise and endowed with ability to successfully carry it on.—*Sunday Sun.*

WENT TO STAY.

Ten years ago a farmer put his initails on a dollar, went to town, and spent it with a merchant. Before the year was out he got the dollar back. Four times in six years the dollar came to him for produce and three times he heard of it in the pockets of his neighbors. The last time he got it four years ago, he sent it to a mail order house. He has not seen that dollar since and never will. That dollar will never pay any more school or road tax for him, will never build up any or brighten the homes of the community. He sent it entirely out of the circle of usefulness to himself.

ESTATE OF EX-GOVERNOR.

E. E. Jackson Filed at The Court House Personal Estate Of Over $300,000—Total About $3,000,000.

Mrs. Nannie R. Jackson, executrix of the late ex-Gov. E. E. Jackson, has filed as inventory of the personal estate of the deceased. The following items were listed an invoiced by Joseph L. Bailey and L. Atwood Bennett, appraisers:

10 shares common stock of Baltimore Header-Bond Concrete Co	no val
10 shares preferred stock, same ...$	500.00
355 shares American Bonding Co....	13,400.00
10 shares Third Nat. Bank, Balto ..	1,245.00
40 shares Sussex Nat. Bank, Seaford	4,400.00
17 shares F. & M. Bank, Easton ...	1,785.00
53 shares Hammond Ice Co	no val
2,000 shares Iola Mining Co., N. C.....	no val
5 shares Salisbury Ice Co.....	500.00
2,000 shares Pratt Consol. Coal Co.....	100,000.00
200 gold bonds of same Co.....	180,000.00
133333 shares Palachain Mining Co....	no val
3 shares Division St. Sewer Co....	45.00
Total.....	$301,880.00

The amount of debts due the estate is listed as follows: Separate (live) debts, $39,425.00; doubtful debts, $11,500.00; desperate debts, $150.00; total, $51,075.

The above schedule represents about one-tenth of the estate of the late ex-Governor. During his lifetime he had divided among his wife and children more than $2,500,000 in stocks, bonds, real estate, etc. The executrix has petitioned the Orphans' Court for the privilege of selling the above mentioned personal property at private sale as she thinks they would realize a better price disposed of in that way.

EIGHT PER CENT. DIVIDEND.

The Farmers & Merchants Telephone Company held their annual stockholders' meeting Wednesday, March 4th, 1908, in the Law Building at Denton and paid the stockholders 8 per cent. dividend. The report made by the secretary was favorably received and very encouraging to them. The company commenced operations in September, 1905, in a small way, with a capital of $2500. Its progress was so great and the demands throughout the county for the service, compelled them within a year to re-incorporate for $25,000, and at this time have assets amounting to $26,542.29. The service is in great demand in various sections and the company is laying plans to extend as fast as possible. This being a home company, should have the support of every business man in the community. Its service is a great convenience and benefit to merchants, banks and other business institutions.

It has certainly proved a thorough success, and now that it has passed its experimental stage and reached a point where it is paying a good substantial dividend, it is worthy of the support and investment of all business parties.

CASTORIA.

Bears the Signature of Chas. H. Fletcher. The Kind You Have Always Bought

Disposing of Large Quantities of Seed Corn.—Two or three years ago Messrs. W. Irving Walker and Albert Story, progressive farmers, residing in the upper part of Queen Anne's county, purchased from the West about a bushel of seed corn of two different strains, and at once set to work trying to improve the strain of the corn which they purchased. They have been unusually successful in their undertaking. Last year their crop was planted with the corn which they have been experimenting with and as a result they have had demands from many sections of the country for seed. When the Corn and Wheat Breeder's exhibition was held in the Fifth Regiment Armory Baltimore, in December, for this State, Messrs. Story and Walker captured several prizes for having on exhibition the best corn and wheat to be found in this State. It will be remembered that Mr. Story carried off first honors for having on exhibition the best display of seed corn. Since that time, as has been stated, these gentlemen have been besieged with letters from all over the country. These gentlemen have been working on two different breed of corn, both yellow. One they call "Mealing" and the other "Roundtop." They have also been selling the corn for $3 per bushel in orders of less than five bushels. Mr. Story closed an order an Monday last for 600 husheis at $2 per bushel.

Methodist Protestant Gathering.—As nearly all of the Methodist Protestant churches of the city have asked for the return of their pastors there is little likelihood of a shakeup in the city at the session of the Maryland Conference in Snow Hill April 1. President J. M. Sheridan will be re-elected, with little or no opposition. Since the stir at West Baltimore Church over the election of a Sunday school superintendent there have been rumors that some of the members who were with the defeated faction will ask to have Rev. John M. Holmes removed. A large majority of the members will insist on having him returned, and there will probably be sent a large delegation to the conference to urge this action.

TO BUILD TEMPORARY WHARF.

Andrew Miller, wharf builder, has been awarded the contract for erecting temporary wharf facilities on Pratt street for the Baltimore and Philadelphia Steamboat Company. The structure is to join Pier 1, Light street, and is to be 250 feet long and 50 feet wide.

Contractor Miller is now engaged in repairing the same company's wharves at Betterton, Town Point and Harris', all of which were damaged by the ice.

WILL CARRY NEW YORK.

The New York Sun, one of the leading Republican newspapers in the United States, says in an editorial last Tuesday:

"Speaking of our own State we record our conviction that no Republican candidate, and we particularly include Mr. Roosevelt himself, can carry it against Bryan, Hearst or any other Democrat that may be placed in nomination at Denver. There are mighty and revolutionary changes operating in the political landscape."

An appeal case, Robert Rathledge vs. Holden & Merritt, of Warwick, was the first case to be placed on trial. Rathledge had sold the firm a cow that when butchered proved to be diseased and unfit for food. They recovered the price paid for the cow before a magistrate, and Rathledge appealed. Trial before a jury, Joshua Clayton, Esq., for Rathledge; Albert Constable, Esq., for Holden and Merritt. Appellees' witness—Eccleson M. Holden, Richard B. Merritt, Jr., Dr. J. J. Wright. Appellant's witnesses—Robert Rathledge and Nathan Rathledge. Verdict for appellees, assessing damages ot $30.
