THE object of the petition filed in this cause is to obtain the ressale of certain Real Estate sold to the Defendant by the Petitioner, as Trustee, under a Decree of this Court.

The petition states that under a Decree of this Court, passed on the second day of July, 1849, the petitioner was appointed a Trustee, to sell the Real Estate of a certain John Harrington for the payment of his debts; that on the seventh day of August, eighteen hundred and forty nine, the defendant purchased a part of said Real Estate, and which sale was reported and finally ratified by this Court; that the defendant afterwards paid a part of the purchase money and that the residue is now due and unpaid, and that the defendant has removed beyond the limits of the State of Maryland, and a large balance of said purchase money is now due and is an equitable lien on the said land.

It is thereupon adjudge and ordered that the Petitioner, by causing a copy of this order to be inserted in some newspaper published in Kent county, once a week for one month before the 24th day of May next, give nouce to the absent defendant of the object and substance of this petition and warn him to appear in this Court, in person or by solicitor, on or before the 20th day of July next, to answer the premises and show cause, if any he has, why a decree ought not to pass as prayed.
