Report on Guano sample from cargo of Matilda, July 1851.

Water and organic compounds of Salts containing Ammonia,	45.50
Phosphates 22.70; Salts, Potash and Soda, 08.20.	30.90
Pebble Stones 12.50, Sand and insolable earthly matter, 11.10	23.60
	100

The proportion of Salts of Ammonia in above one hundred parts is 14,50 or nearly 15 per cent. If with reference to the organic matter alone the proportion is one third or 33 per cent. The total amount of pure Ammonia in the 100 parts, is 3.46 or more than 3 per cent, nearly 3½ per cent of pure Ammonia. If the average of Patagonia is worth $2⅔ per ton, this is worth $36 per ton.

(Signed) DAVID STEWART,
U. S. Analyst Port Baltimore.

We have on hand a small lot of the above cargo of Guano which we wil sell at a very low price, and invite the attention of the farmers to it—it has been secently inspected by Dr. Poke the State inspector and the weight is marked on each bbl. Also Peruvian and other lots of Patrigonian Guano which we offer for sale at the lowest market rates.

The Great Iron, Moveable,

DAGUERREAN SALOON.

THIS celebrated SALOON, constructed at Easton, the past writer, by N. B. JENNER, from Philadelphia, who is the principle operator, will visit Chestertown as early as the 29th of the present month and remain but a very limited time, for the purpose of taking DAGUERREOTYPE LIKENESSES in the real Philadelphia inimitable style of the Art.

We are now furnished with a large *SKY and SIDE LIGHT* combined, so that every variety of LIGHT and SHADE may be obtained without winding to the fifth story of a city operating room. We trust that our superior advantages and knowledge of the business, with a long practice in the best houses in the world, together with our unrivalled specimens *of our own taking*, will be an inducement for an early trial of our skill by the citizens of Chestertown. We pledge ourselves in every instance to give perfect satisfaction to our sitters, or they will not be desired to take the pictures from the saloon.

Sales of Valuable

Real Estate

BY Virtue of a Decree of the Chancellor, the undersigned, as Trustee, will offer at public sale, on

TUESDAY

the 6th day of April next, at Chesterville, in Kent county, Maryland, all that Farm or Tract of land, called

'Willingsworthmore'

containing

310 Acres of Land,

more or less. This Tract of land is a part of the Real Estate of which the late Isaac Spencer died seized, whereon Col. Wm. Spencer resided at the time of his death. It is situated very near Chester River and within a very short distance of Spry's Landing

It has on it a small *DWELLING HOUSE,* Corn House and Stable; and to it are attached fine and extensive

Meadow Grounds,

with a valuable and never failing water power, on which formerly stood two superior Grist Mills. The land is of good quality

THE TERMS

OF SALE require the payment of one-fourth of the purchase money in cash on the day of sale, and the residue in three equal instalments of six, twelve and eighteen months, bearing interest from the day of sale, to be secured by bond or bonds of the purchaser or purchasers with approved security.

W. A SPENCER,
Trustee.

AT the same time and on the same terms, the subscriber, as Testamentary Trustee of Isaac Spencer, will offer for sale one

WOOD LOT,

of *TWENTY ACRES*—one cleared lot of *EIGHTEEN ACRES*, being part of a Tract of land called

'Marrowbone,'

and one Wood Lot of *THIRTY-SIX ACRES*, called the

'SHADDING REACH.'

These Lots are all situate on Chester River, adjoining the farm on which Isaac Spencer recently resided, in Kent county, Md.

WM A. SPENCER, } Trustees
JOHN SPENCER, }
March 2, 1852.

AT the same time and on the same terms, the subscriber will offer for sale all that Tract of land called

'MARROWBONE,'

containing

213 Acres.

This is one of the most desirable estates in this county, for situation and convenience. This land is of good quality. It has a good and commodious

BRICK **Dwelling,**

with *OUT HOUSES.* It lies on the River and has a Landing equal to any in the county, directly opposite is Kerby's Landing, to which the Steamer 'Cecil' plies once a week, and to which other Steamers are expected to plie hereafter.

A public Landing with a Granary on this farm, and with a proper road leading direct to Millington would necessarily commend all the boating business from that place, and would take the besiness of the Steamboats.

It is the Estate on which Isaac Spencer recently resided.

☞Any information will be given in reference to the aforegoing Estates, by John M. & Sam'l Comegys, Chesterville, Kent county.

☞The aforegoing sales will be conducted by Col. R. R. Carmichael, of Queen Ann's county, who has full power in every respect to sell the farms and settle with the purchasers.
