BOOTS & SHOES,
AT MODERATE PRICES
FOR CASH

THE SUBSCRIBER has a supply of *Leather*, and is prepared to make all kinds of

BOOTS & SHOES

in the best style, and at low prices, *for cash*.

His Capital is in the hands of his customers, and he is not able to continue selling on credit.

He regrets the necessity which forces him to adopt

The Cash System,

as it will compel him to discontinue accounts with many good and highly prised customers, who he would be glad to work for on credit, if he was able to do so. He hopes that this frank explanation will be ample apology, and that his customers, who have heretofore failed to pay when he needed the money, will relieve him from the very unpleasant task of declining to send out work without the money, by uniformly paying their bills, when their work is done

20,000 PERSONS CURE

No Relief No Pay!

THE Public are respectfully informed that Dr. Tobias adopted the above as his motto since he has introduced his invaluable

Venetian Linement,

On sale in the United States—now over 3 years.

During that period, every bottle sold has been warranted to give *Relief*, if used according to the directions, or the money would be refunded; and N. Agent was allowed to have it on sale without he would warrant it

Thousands of Bottles

Have been sold, and *not one in a thousand have been returned!*

Wherever it has been introduced it has superseded every other Linement, and, with scarcely any advertising, has quietly won public confidence. Now, there are hundreds of families that are never without it. This has been done by private recommendation, chiefly from those who have been cured by it of obstinate Diseases,

When every other remedy has proved ineffectual,

Many persons have said, on reading my pamphlet, that it *Cures too many Complaints*; but I have replied, "Use it according to the directions, and if you do not get relieved, your money will be returned." More I cannot say: for if I confer no benefit I ask no remuneration. All that is asked for is a fair trial; then I am assured there will be no dissatisfaction.

It is Warranted to Cure

Cholero, Colic, Dysentary, Cramp, Vomiting, Sea-Sickness, Chronic, Rheumatism, Sore Throats Cuts, burns, Chilblains, Swellings, Old Sores, Bruises Coughs, Croup, Mumps, Chapped Hands, Wens, Heart, Weakness in the Limbs, Back, and Chest; Pains in the Joints Hemmorrhage, &c.

Thousands of certificates can be seen at the depot.

Full Directions wrapped up with every Bottle.

Ladies

can find no article that will so quickly and harmlessly remove Pimples and Blotches from the Neck, Face and Hands.

Croup

which carries off hundreds of children annually, can be averted by the timely application of the Venetian Linement. If parents would observe their children, and when the eyes are heavy, or the breathing slightly the breathing slightly thick they would rub the neck and chest well with the liniment, they would never have to suffer that distressing complaint.

Chronic Rheumatism,

it cures as certainly as it is applied.—But inflammatory requires the aid of a physician as internal treatment is requisite.

Persons suffering from Weakness or Pains in the Back Chest or Limbs, will find relief in a few applications of this liniment. It opens the Pores, besides strengthening the muscles

Toothache is cured by it in a few minutes.

Vomiting is immediately stopped by it, and when the stomache will not retain medicine or food, take 20 drops of liniment in half a wine glass full of water—then nothing will be ejected.

Cholera and *Dysentary* were cured in hundreds of cases, when last in this country, by the timely use of this liniment.

It is also warranted superior to anything else to alleviate and cure

Cuts, Burns, Old Sores, Swellings, etc

Depot No. 228, Greenwich street New York.

Price 25 and 50 cents per bottle.

This Liniment is an internal as well as external Remedy, and is warranted harmless.

See that every Bottle has Dr. Tobias's written signature, as no other is genuine.

'Killingsworthmore'

containing

310 Acres of Land,

It has on it a small *DWELLING HOUSE*, Corn House and Stable; and to it are attached fine and extensive

Meadow Grounds,

with a valuable and never failing water power, on which formerly stood two superior Grist Mills. The land is of good quality

THE TERMS

March 2, 1852.

AT the same time and on the same terms, the subscriber will offer for sale all that Tract of land called

'MARROWBONE,'

containing

213 Acres.

This is one of the most dariable estates in this county, for situation and convenience. This land is of good quality. It has a good and commodious

BRICK
Dwelling,

with *OUT HOUSES*. It lies on the River and has a Landing equal to any in the county, directly opposite is Kerby's Landing, to which the Steamer Cecil' plies once a week, and to which other Steamers are expected to plie hereafter.

A public Landing with a Granary on this farm, and with a proper road leading direct to Millington would necessarily commend all the boating business from that place, and would take the besiness of the Steamboats.

It is the Estate on which Isaac Spencer recently resided.

Any information will be given in reference to the aforegoing Estates, by John M. & Sam'l Comegys, Chesterville, Kent county.

The aforegoing sales will be conducted by Col. R. R. Carmichael, of Queen Ann's county, who has full power in every respect to sell the farms and settle with the purchasers.
