BŒRHAVE'S HOLLAND BITTERS

THE CELEBRATED HOLLAND REMEDY FOR

DYSPEPSIA,

DISEASE OF THE KIDNEYS,

LIVER COMPLAINT,

WEAKNESS OF ANY KIND,

FEVER AND AGUE,

and the various affections arising from a disordered

STOMACH OR LIVER,

Such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Dependency, Costiveness, Piles and Bleeding Piles. In all Nervous, Rheumatic, and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in other cases a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Its reputation at home produced the introduction here, the demand commencing with the return of the fathers of families from the use of this master century, many of whom brought with them and handed down the tradition of its virtues. *It cannot fail to the intelligent public, that a remedy that has truly wonderful medicinal virtues must be universally used.*

It is particularly recommended to those persons whose constitution may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally laxative in effect, it tends in the very direction to obviate the necessity of quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor in the system. Invalids, who have long despaired of finding a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a genial, aromatic cordial, possessed of all other medicinal properties.

READ CAREFULLY!

The Genuine highly concentrated Boerhave's Holland Bitters is put up in half-pint bottles only, and retailed at one Dollar per bottle, or six bottles for a Dollar. The great demand for this truly celebrated Medicine has induced many imitations, which the public should guard against purchasing.

Ask for Boerhave's Holland Bitters, and see that our name is on the label of every bottle you buy.

Sold by Druggists generally. It can be forwarded by Express to any points.

GUM SPRING & GUM FELDER

OATS!

MANUFACTURED BY

E. WAGONER.

The Best Drill ever heard of!

IT Sows all kinds of Grain perfect, from one peck to four bushels without choking the Machine. The quantity can be changed when in motion, by a slide. It will sow Wheat, Buckwheat, Rye, Oats, and Barley without choking by white caps, wheat heads or straws. This Drill feels by two vulcanized rubber cylinders revolving together. The spring drag bar is very useful in tough land, stumpy or rocky. It will pass over any thing not over fifteen inches high without breaking of pins or anything else. The hoe will pass over and fall in its proper place. I also build them with Guano or other fertilizer sowers attached, which all farmers who use any of those manures ought to have, as they will save one half of the manure and have more grain, as it sows direct with the grain. This attachment is warranted to sow correct without choking or clogging, and will sow from fifty pounds to any number of pounds that is wanted to be sown by a Drill.

Persons wanting an Attachment of this Fertilizer Sower put on their Drills, will please be specify as nearly as possible, as I have a great deal of this kind of work to do.
