BALTIMORE MARKET

Friday — Flour—No sales. The demand for flour is still fairly confined to Western Extra to the present; the inquiry for the Eastern brands of Super and Extra, for local consumption is very limited. We quote Howard City Mills and Western Superior at $5, Howard Street Super at $4.87½@5, Western Extra at $5.25, Howard Street Extra at $5.50, and City Mills at $5.50@6 for good to very choice and fancy brands, according to [illegible]. Rye Flour is steady at the [illegible] and Corn Meal [illegible] and Corn Meal [illegible] Wheat—The supply of Wheat on Change to-day was larger than for some time past; the greater portion of the offerings were of Western white, which sold at 1.25@1.30, and Pennsylvania red in bulk in common to very prime Pennsylvania at 1.15@1.22, and 500 bushel Virginia prime amber red at 1.22@1.25 per bushel. The market should not be inferior at our quotations, which show a decline of 5@10c. Corn was in very full supply—the receipts of 2,000 bushels for prime white of 50@52c, a decline of 2@3, and 3000 bushels yellow at 52@53c. Oats were in fair request; Pennsylvania sold at 38@39c, Maryland at 3[illegible]@40c, and Virginia at [illegible]. Rye was reported worth 60@62c for Pennsylvania and Maryland and 65@70c for Virginia.

PROVISIONS—No transactions of importance have taken place to-day. We quote Hams at 11@12c, Shoulders 11@12c, Sides 12@12½c, and Lard 12@12½ cents per pound.

A SUPPLEMENT

MARYLAND CODE,

Especially to the private users to the Public to our Supplement to the MARYLAND CODE, we now announce the publication, at an early day, of the

First Volume of our Supplement to the Code,

TO BE COMPRISED IN THE

General and Local Laws,

Passed by the Legislature, at the Extra Session of 1861, and the Regular Session of 1862, arranged under their Proper Titles, to Correspond with the Code, to be accompanied with Analytical Tables, showing at a glance, the Articles and Sections of the Laws, Repealed or Amended, with Reference to the Chapter and Section, by which amended or repealed, or which will be added to an

Appendix, the Private Acts and Resolutions of the Extra and Regular Sessions. The whole to be carefully Indexed.

To render the work still more valuable, we shall press the CONSTITUTION OF THE UNITED STATES, with its Amendments, with Marginal Notes, referring to the Decisions of the Supreme Court.—Also the CONSTITUTION OF THE STATE OF MARYLAND, with Marginal Notes and References to Acts of the General Assembly and Decisions of the Court of Appeals, and an Appendix and Index.

We believe we thus offer to the public a work invaluable to every Lawyer, Magistrate, Politician, Business Man, and every Citizen of Maryland, and one invaluable to every patronizer of the Code.

The importance of the legislation of the late sessions of the Legislature, affecting, as it does, the interests of every man in the State, renders it a matter of the greatest moment, to each individual, to have in a convenient and accessible form, the Acts of Assembly, and it is scarcely less so to have embodied, in the same volume, the important Decisions which elucidate the policy of the State in the present crisis, while it will prove matter of no slight moment to individual interest, that we have the Code, printed in a permanent form, the Acts on which their rights and interests may depend.

By continuing the publication of the work, at our expense, it is believed that the Bar of Maryland will have the Statute Law of the State in a form so convenient and accessible as that of any State in the Union.

☞ Such as may desire to secure the Supplement, will do well to place an order at once, as the extent of the Edition will be regulated by the number of subscribers.
