DYSPEPSIA AND FITS.

A SURE Cure for these distressing complaints is now made known in a "TREATISE ON FOREIGN AND NATIVE HERBAL PREPARATIONS," published by DR. O. PHELPS BROWN. The prescription, furnished him by a young clairvoyant girl, while in a state of trance, has cured everybody who has taken it, never having failed in a single case. It is equally sure in cases of Fits as of Dyspepsia; and the ingredients may be found in any drug store. Those who are afflicted with Consumption, Bronchitis or Asthma, may also be cured by the use of my Herbal Preparations. I will send this valuable prescription free to any person on receipt of their name. Address, DR. O. PHELPS BROWN, No. 19 Grand Street, Jersey City, N. J.

HOUSEKEEPERS—troubled with vermin need be no longer, if they use "COSTAR'S Exterminators." We have used it to our satisfaction, and if a box cost $5 we would have it. LADIES, READ!

NEW HOMŒOPATHIC REMEDY

For Suffering Females

DR. S. M. SMYTHE'S

HOMŒOPATHIC

FEMALE REGULATING POWDERS.

A Sure and Safe Medicine, having been proved by a Three Years Test in Private Practice.

AFTER a life of careful study as a practitioner of the old and New Medical systems to obtain a safe and safe medicine for females suffering from Menstrual derangements, and certain diseases that are peculiar to our sex, have been crowned with success; having found, through the knowledge of Homœopathy from time to time, combinations which I now present with great care, and can now place before the public in *Homœopathic Powders*, as the only safe and reliable article that will produce Monthly Stockness in all stages and circumstances; they having been tested since January, 1858, (over three years) in my private practice, on ladies of all ages, temperament, and constitution, and *I failed to produce the desired effect*, if taken strictly according to directions.

A GREAT many persons in this and other countries have so far faith in the science of Homœopathy, from the simple fact they have never been treated with its cure, or else done it improperly. Now, as *I am a graduate of the Medical College of Europe*, (Royal College of Surgery and Medicine, London, and "The Homœopathic Institute of Great Britain," London—the former classed Allopathy, Old School, and the latter Homœopathy, New School) and having practiced both for a period of years my service, I think I am entitled to a hearing in the matter. After attending one course of lectures on the Homœopathic doctrine, (merely for experiment) I was astonished by the astonishing effects, he attained the remaining course, I then gave up the Old School system altogether, and have been for the last thirteen years, practicing it, and it the most proper mode of *treatment*. Besides, the fact that the United States Government is about introducing the method into its army and navy, alone should convince all.

THIS is my first appearance in the advertising columns of a newspaper, and I sincerely hope the plain truth set forth, will attract the eye of those suffering, to induce me to give my Powders a trial. Their *good effects* will then show their worth, and it will require no advertising thereafter to secure them as my patronage in the treatment of their delicate complaints for the future. *A simple trial will convince those before in doubt of their good effects.*

THESE Powders are put up in four different boxes, accompanied with full directions, and are *warranted a cure remedy (covering immediate cohesion)* when applied to each complaint.

No. 1 will remove all *obstructions*, and secure a safe and regular return of *Monthly Stockness.*

No. 2 will cure *Prolapsus Uteri*, (Falling of the womb) and all *inflammatory and ulcerated* diseases of the womb.

No. 3 will cure *Leucorrhea*, (Whites,) and *Incidental Flooding.*

No. 4 will cure diseases attendant to *advanced stages of life*, change of life.

Those suffering from *Spinal* and other affections, by writing stating their different ailments, will be prepared with the proper remedy, and every case be relied upon as if the patient was before me.

Caution is given not to use my No. 3 Powder in second stage of pregnancy, as it is sure to produce miscarriage. Those whose health will not permit an increase of family, will find this Powder a valuable preventative.

Price of boxes, containing Twelve Powders, $1 00. Consultation fee, by person or letter, $1 00. Sent by mail or express to any address, accompanied with full directions, and a receipt, which will be found very useful in the future.

All communications must be written plain, especially name, place, and state.
