WHEN

ARE YOU GOING TO START YOUR

REDUCTION SALES?

This question has been asked us a good many times the past week and to those interested, we say:

Our Semi-Annual Get-Rid-of-Winter Goods Sale Begins To-day

Comment as to correct FORMER prices, and NOW bona fide reduced prices, is unnecessary, as you all know the genuineness of same. No better evidence of this can be offered than the fact we have conducted them for the past fifteen years and the LARGE percentage of trade that avail themselves of the same.

DON'T WAIT

until ALL the best things are gone, because the choice patterns go first. No reserves. All winter goods will be sold correctly.

Respectfully,

MOODY & LUSBY
