Wall Paper!

Wall Paper!

Wall Paper!

I wish to call the attention of my friends and the public in general to the fact that I now am ready to show one of the

Finest and Cheapest Lines of

WALL PAPER

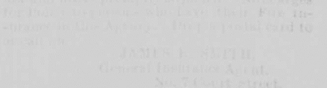

ever exhibited in this county. Don't direct from the factory, but handle stock so you can get it quicker, and as I never have three months' stock on hand, as I receive them, I can sell at a less price than those who have to carry a large stock. I have no rent to pay, as I live over the store, therefore I can sell cheaper. If you don't believe you can save money, come and see me and I will prove what I say. If you want paper put on, or need one by mail and I will put it on, or get it all ready, and send samples and estimate. That Gardner is the place to get paper hung cheap as I do the work myself. Will be glad to see you at
