Grist and Saw MILLS FOR SALE.

IN view of a contemplated change in his business, the undersigned will sell at Private sale his Grist and Saw

MILLS,

with

46 Acres of Land,

attached. The Location of these Mills are highly favorable; they lie on the head waters of Fairlee Creek, in Kent county, Maryland; are within ½ mile of navigable water for grain boats, while flat boats or scows may be be loaded at the door of the Grist Mill.

They are convenient to places of public worship, and a good school; and are surrounded by some of the most highly improved and best timbered farms in the county. Of the 46 acres of Land, there are 3 or 4 acres of

FINE MEADOW,

and two acres of

Thriving Chesnut,

the balance is arable and in a high state of cultivation. There are also

TWO ORCHARDS,

one Apple and the other Peach.

Both Mills are in complete and substantial order, having been thoroughly rebuilt within a few months. There are other improvements, such as a

Frame Dwelling House

with Kitchen attached, Corn house and Stable, all in good order.

It may be asserted with the utmost confidence that in view of the advantages of the location of these Mills, their present complete order, and the fair and easy terms upon which they may be purchased, no better bargain has been offered for many years in this county, to the man of enterprise and small capital.

The Dwelling is a Frame, 1½ stories in height—2 rooms below and a Kitchen—two rooms above; the house new. A well of good water in the yard. The Stable and Meat House are of wood. The farm has been divided into four fields of about 40 acres—under good new chesnut fencing. A landing on the farm, to be used by both farms.

An Apple Orchard
