Trustee's SALE.

BY virtue of a Decree of the Honble. P. B. Hopper, Judge of the Seventh Judicial Circuit of Maryland, the undersigned will expose to public sale, to the highest bidder, on

Thursday,

the 10th day of December, 1857, at 11 o'clock, A. M., at the tavern porch of Mr. John McDaniel, in Chestertown, all that

Farm and Plantation,

late the property of Angavine Warren, deceased, lying in Still Pond Neck, in Kent county adjoining the lands of Dr. J Davidson, occupied by C H. Jewell, and bordering on the Chesapeake Bay, with a fair view, &c. It contains

282 ACRES

by survey. There is a very ample supply of *WOOD AND TIMBER*, for the use of the farm—the latter composed of Chesnut.

The Farm is divided into eight fields, under good fencing, well limed, and adapted peculiarly to the growth of Fruit, Vegetables and Corn. Wheat also grows well.

The Buildings are a dwelling of Brick, two stories in height with a frame addition 1½ stories and Kitchen. The out-buildings are not large, but all the buildings are in good condition. There is a two story frame dwelling, recently erected, near the Bay, a division of the farm having been contemplated by the late owner.

This property is very convenient to the Baltimore and Philadelphia markets, adjoins Fishing Valley, one of the most celebrated fishing localities in the county—has a good Fishing Shore on the premises. By making inquiry at Still Pond Cross Roads and at Apsley's Mill, strangers can procure information of the road to the premises.

The Terms of Sale,

As prescribed by the decree, are, a credit of six, twelve and eighteen months from the day of sale, payable in three equal instalments, with interest from the 1st January next, to be secured by the bond of the purchaser, with security to be approved by the Trustee.

The farm being under rent for the year 1858, the purchaser will be entitled to the rent, and possession can be procured under the lease, on the 1st January 1859—situation healthy.

The creditors of the late Angevine Warren are notified to file their claims, duly authenticated, with the Clerk of the Circuit Court of Kent county, within four months from the day of sale

There is a small Tenant House also on the premises. 156 bushels of wheat have been seeded the present fall, in the best manner and will be considered in the sale as a part of the Farm.
