Local Matters.

SAVE FIFTY CENTS.—*Important to Subscribers.*—In a few weeks the time allotted for the Advance Payment of Subscriptions will expire. We hope that all who have not yet paid, will take advantage of the short period remaining to do so, if they consider it an object on so small an amount to save 50 cents. Many of our subscribers, and others indebted to us for advertising or job work, will be in Chestertown during Court, and we hope they will make it convenient to settle.

DARING ATTEMPT TO ROB.—About ten o'clock on Monday night some burglars effected an entrance, through a window, into the dwelling of Miss Caroline Thompson, in this town. They had entered the house and proceeded as far as the bedroom door of the occupant, who had retired, where they paused to arrange their plans, when she overheard their whisperings and immediately gave the alarm; but before any of the neighbors could reach the house the thieves had fled. It is thought that *money* was the object of pursuit in this instance.

We hear of several other attempts at burglary during the week, but of no instance in which loss has been sustained. It will thus be seen that these miserable wretches are still busily at work, and it is necessary that all who would secure themselves against their incursions to take the precautionary steps.

THE CHESTER BLUES received yesterday a stand of arms from the Adjt. General of the State, which will much improve their military appearance, and qualify them better for inspiring the town with confidence in their citizen soldiery. The arm is a Whitney gun, fitted with bayonet, and supplied with all the modern accoutrements which make a soldier's outfit complete. This is the fifth stand of arms now furnished to Kent County, and the prompt attendance of the Adjutant to the requirements of the Blues demands this public acknowledgment.

THE NEW STEAMER CHESTER.—This fine new steamer, which has just been completed at the works of Mr. Chas. Reeder, Baltimore, made her first trip to Chestertown yesterday. She may be justly regarded a model boat, and her accommodations are ample for the business of the river. The public may now feel assured of a reliable daily conveyance between Chestertown and Baltimore. Capt. E. S. L. Young, formerly of the Arrow, takes command of the Chester, and Mr. B. S. Ford, the efficient clerk of the Arrow, has been promoted to the captaincy of that boat.

APPOINTMENT OF COUNTY OFFICERS.—The County Commissioners on Monday appointed the following County Officers:

Collectors of Taxes—1st district, James Lamb, reappointed; 2d district, H. M. Rollison; 3d district, Richard F. Moffet, reappointed.

Trustees of the Alms-House—Geo. H. Willson, N. Wiley, Robt. S. Griffith.

Standard Keeper—Samuel W. Cole.

WE are requested to state that, for the accommodation of many persons interested and who may be in attendance on the sessions of our County Court, the Orphans' Court will meet two days next week, Tuesday and Thursday, for the transaction of business.

THE April Term of the Circuit Court for Kent County will commence its session in Chestertown on Monday next.

"WELL, SIR, where did you get that bundle of goods?" "Why, I bought it of VANNORT, he has just returned from the city, with a large stock of goods, and is selling lower than any body in town, I've made my wages to-day by buying from him; I bought calico for 6, 6¼ and 7 cts., muslins 5½, 6¼, 7 and 8 cts., brown sugar 6 and 9 cts., white 10 and 12½ cts., and everything in proportion, and if people would study their interests they would buy of him." HENRY R. COSTAR—All the summer I have been troubled with Roaches and Mice. I was actually ashamed of the house; for the Roaches were every where. I purchased a box of your exterminator and tried it, and in one week there was not a Roach or Mouse in the house.
JOHN B. GIVENS, No. 94 Elm Street.

HOUSEKEEPERS—troubled with vermin, need be so no longer, if they use "Costar's" Exterminators. We have used it to our satisfaction and if a box cost $5 we would have it. We had tried poisons, but they effected nothing; but Costar's article knocks the breath out of Rats, Mice and Bed-Bugs, quicker than we can write it. It is in great demand all over the country.—*Medina (O.) Gazette.*

MORE GRAIN and provisions are destroyed annually in Grant County by vermin, than would pay for tons of this Rat and Insect Killer.—*Lancaster (Wis) Herald.*

HENRY R. COSTAR—Your Exterminator is received, used, and pronounced a decided success. We used a box of it, and the way the Rats and Mice around our premises "raised Ned" that night was a caution to sleepers. Since then not a Rat or Mouse has been heard in Kitchen or cellar.—*Magregor (Iowa) Times.*
