Local Matters.

MAJOR GENERAL.

GEORGE VICKERS, Esq., of this town, has been appointed, by Governor HICKS, Major General of Second Division Maryland Militia.

No better man could have been selected for the place, and the community hereabouts have received the news with unaffected pleasure. GENERAL VICKERS is a slaveholder, born and reared among us, and is a firm and consistent conservative lover of his country—is deservedly one of our most popular citizens, who has the esteem and confidence of all who know him.

We cannot say that he will accept the position, which was entirely unsought by the General and is not in consonance with his private feelings; but there is such a universal desire that he should not decline, and this feeling has been manifested in such unmistakable terms that, relying upon his known patriotism and devotion to his country, we hope that he will consent to the wishes of the people.

Union Voters of Kent County!

Remember that Thursday next, 13th inst., is the day of election for a member of Congress. Remember also that although there is no open opposition now to the Union candidate, yet there may be a secret candidate put forward at a late hour.

All true Union men will guard against this by going to the election and sustaining the Union candidate, E. H. WEBSTER—a good and true man.

☞The Commissioners of Chestertown on Tuesday last made the following appointments: David Arthur, Clerk to Commissiones; Asbury Howard, Market Master and Weigher; Geo. C. Adkinson and Wm. Burke, Bailiffs. The salary of the bailiffs has been increased to $150 each, and one of them is required to be on duty all night. The Commissioners are now occupied in collating and revising the town ordinances, which it is their intention to have published when completed.

THE flags in Chestertown were lowered at half-mast on Tuesday, as a mark of respect to the memory of Senator Douglas.

HON. H. H. GOLDSBOROUGH, State Senator from Talbot county, elected in 1857 as a Democrat, in reply to an invitation to be present at the presentation of an American Flag by the ladies of St. Michael's to the Union men of that District, expressed a strong desire to take part in the ceremony, but being "compelled to go to Baltimore on urgent business," responded in a patriotic letter. We have room only for the following extract:

"I am now confident that this mad attempt to destroy our government will meet with the most signal discomfiture. It only requires that the people should be kept well posted as to the machinations of wily politicians to defeat their schemes however well planned."

QUEEN ANN'S COUNTY ITEMS.—We take the following from the Centreville *State Rights*:

MILITARY.—The "Smallwood Rifles," Capt. Goldsborough, and the "Queen Ann's Rangers," Capt. Jacobs, propose to visit Queenstown on Saturday next and to spend the day in military parade. The "Smallwood Rifles" will march the distance on foot.

PAINFUL ACCIDENT.—Ormond Godwin, a lad 15 years old, son of Alexander S. Godwin, Esq., of this place, fractured one of his fingers and injured another, on Saturday last, by the accidental discharge of his pistol in the attempt to cock it.

DEATH FROM INJURY.—We learn that Thomas A Cooper, residing at Templeville in this county, was thrown from his carriage while returning home from Millington one day week before last, and has since died from the injuries received.

FINANCIERING IN TENNESSEE.—Private advices from Tennessee show that the State authorized the issue of bonds to the amount of five millions for war purposes, and has ordered out an army of fifty-five thousand men. The State bonds are now thirty-seven cents in the dollar. To obtain five millions in specie, at this rate, would cost the State twelve-and-a-half millions.

MARRIAGES.

On the 27th ult., by Rev. Wm. B. Walton, GEORGE STRINER to Miss JANE BURNHARD, all of this county.

DEATHS.

At the residence of his brother John, in this county, on Sunday last, Mr. THOMAS S. COREY, aged about 30 years.

In this town, on Thursday evening, Mr. WM. H. H. CALKS, in the 21st year of his age.
