News Summary.

The following summary of the latest news, we take from the Baltimore American of Thursday:

The despatches from Washington represent all quiet in that quarter yesterday. A report was in circulation at Frederick yesterday, that an attempt was made the night previous, by a portion of the Confederate forces, to cross the Potomac, but were repulsed by Gen. Banks' column.

Affairs in Kentucky are approaching a crisis. At Louisville the Home Guards have prepared for service, and a portion of Rosseau's Kentucky Brigade had crossed over from Indiana, the intention being to send them to the Southern part of the State. Volunteering in defence of the Union was very active, and even States Rights' men disapproved of the invasion of the State by the Tennessee forces.

Another serious railroad accident to a military train is reported. A bridge on the Ohio and Mississippi Railroad broke down, throwing a train containing an Illinois regiment into the river, killing from forty to fifty soldiers, and injuring a still greater number. Some suspicions are entertained that the bridge was designedly weakened.

Reports from Missouri are so confused that it is difficult to understand the exact position of affairs. The rebels under Gen. Price had surrounded Lexington, but it is not certain whether any battle had taken place. Gen. Sturges was marching with a force to the relief of Lexington.

The government has summarily put an end to the intended third adjourned session of the Maryland Legislature On Tuesday afternoon the city of Frederick was surrounded by detachments of military, and the Government agents arrested the Clerks of both Houses and all the members present who had previously manifested their hostility to the Government. The Clerks and some other parties were released on taking the oath of allegiance.

The Louisville Courier, a treasonable journal has been excluded from the mails.

With the consent of our Government the British Government will hereafter communicate with its Consuls at the ports of Seceded States by means of a British vessel-of-war.

The gunboat Conestoga captured two Confederate steamers on the Cumberland on Tuesday.

Gen. Braxton Bragg has been appointed Confederate Secretary of War, vice L. P. Walker, resigned in consequence of ill-health.

All the banks of New Orleans suspended specie payment on the 15th.

Col. F. P. Blair, Jr., has been arrested at St. Louis for insubordination, consisting of attempts to effect the removal of Gen. Fremont, using disrespectful language, &c.

The War Department has authorized the commanding officer of the U. S. forces at Hatteras Inlet to accept the services of such loyal North Carolinians, not exceeding a regiment, as may volunteer.

The Confederate Troops Ordered to Leave Kentucky.

The Legislature of Kentucky passed a resolution on the 12th inst., ordering the Confederate troops to leave the State.—Gov. Magoffin vetoed the resolutions, but both Houses have passed them over his veto. The latest reports are that the rebels have refused to comply with the resolutions. A bill was also reported in the Senate making it felony to enlist troops for the Confederates, and to punish by death the invasion of Kentucky by citizens as rebel soldiers—the act to go into effect within ten days, but not to apply to those returning to their allegiance within sixty days.

MILITARY.—The steamer Pocahontas, says the Cambridge (Md.) *Herald*, arrived here on Saturday morning last from Wilmington, Del., via Perryville, Md., with about 700 U. S. troops, under command of Brig. Gen. Lockwood, and encamped near town, on the farm of Mr. T. T. Martin. They are as fine looking set of men as we have ever seen—the officers are very clever and sociable to all persons visiting their camp.

GOOD TICKETS.—There is an apparent rivalry among the Union men throughout the State in regard to the production of County tickets. In every instance the very best men the county could afford have been brought out. The following is the ticket for the Legislature in Baltimore county: Hon. Reverdy Johnson, John S. Berry, John S. Given, J. H. T. Jerome, John T. Ensor, Col. John B. Pearce.

CECIL COUNTY.—The Union men of Cecil county nominated the following candidates at their County Convention on Tuesday last: For the House of Delegates—John A. J. Cresswell, Andrew McIntire, Hamilton Morton. For County Commissioners—Thos. Grubb, F. G. Parke, Geo. W. Boulden. For Sheriff—Eli Cosgrove.

THE Judicial Convention which met at Cambridge on the 12th inst., nominated the Hon. Brice J. Goldsborough as the Union candidate for the Court of Appeals for the Eastern Shore District. Judge Goldsborough is the present incumbent, having been appointed by Gov. Hicks to fill the vacancy occasioned by the death of the late Judge Eccleston.

THE Washington Star reports that in a conversation with Mr. Buchanan the ex-President fully indorsed the policy of Mr. Lincoln's Administration.

The New Orleans Picayune says the heavy growth of grass in some of the streets in that city "would pay the mower for his trouble."

BALTIMORE MARKETS

From the Baltimore American of Thursday.

GRAIN.—The receipts of Grain at the Corn Exchange to-day were light, and footed up only 14,500 bushels, as follows, viz: 9,500 bushels Wheat, 200 do. Corn, 4,800 do. Oats, and Rye none. Wheat was in very active request, expecially for milling purposes, and prices show an advance of 2 to 3 cts. per bushel. All of the offerings changed hands at 105a112 cts. for fair to good reds; 115a117 cts. for prime do; 112a120 cts. for common to fair whites; 125a135 cts. for good to prime do.; and 137a140 cts. for choice family flour samples of do. Corn is wanted, but there was nothing of any consequence at market this morning, and no sales were effected. In the absence of transactions we quote nominally yellow at 53a54 cts., and white at 52a56 cts. for good to prime parcels. Oats continue in good request, at 25a28 cts. for fair to good.
