Women as Well as Men are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers who found Swamp-Root to be just the remedy needed. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Will Filed.—The will of Dr. James Bordley, who died ten days ago, was filed Tuesday in the Orphans' Court for Queen Anne's county. The entire estate, which is valued at $75,000, is bequeathed to his wife, Ellen F. The property consists of farms, bank stock, mortgages and bonds. The will was made November 11, 1908. Mrs. Ellen F. Bordley and Madison Bordley are named as executors.

MILLINGTON ITEMS.

Mr. Benjamin E. Benton, of near Millington, came near being killed by being thrown from his horse Friday evening. Mr. Benton had been to a sale and was returning with a wagon-load of pigs and two horses were tied behind. One horse broke away and he took the remaining one and went in search of it. He was later found by his son, who had fortunately accompanied him, lying by the roadside in an unconscious state. Medical aid was summoned and it was at first thought he was very seriously injured, remaining unconscious for such a long period, but he is now slowly improving.
